

MAY 10 1992

Ms. Joanne Pratt
Wilbur-Ellis Co.
191 W. Shaw Ave., Suite 107
Fresno, CA 93704-2876

Dear Ms. Pratt:

Subject: Label Revisions - Add Use on Wheat
Agrosol T Flowable Systemic Soybean Seed Treatment
Fungicide
EPA Registration No. 2935-478 ✓
Your Submission Dated December 13, 1991

The amendment referred to above, submitted in connection with registration under section 3(c)(7)(A) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable provided that you:

1. Submit/cite all data required for registration/-reregistration of your product under FIFRA section 3(c)(5) or 4(a) when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

- On the front panel modify the statement "For use on soybeans" to read similar to following: "For seed treatment of soybeans and wheat"

3. Submit one (1) copy of your final printed labeling before you release the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
WARNING

May be fatal if inhaled. Do not breathe dust, vapor, or spray mist. Causes eye and skin irritation. Harmful if swallowed or absorbed through the skin. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. During seed treatment and loading operations, wear goggles, clean rubber gloves, protective clothing and a pesticide respirator jointly approved by the Mining Safety and Health Administration (formerly the U.S. Bureau of Mines) and by the National Institute of Occupational Safety and Health under provisions of 30 CFR Part II. Wash hands, arms and face thoroughly with soap and water after handling and before eating, drinking or smoking. Routinely shower or bathe after work. Wash all clothing with soap and hot water before reusing.

Consumption of alcoholic beverages increases the toxic effects of thiram.

Do not use or store near food or feed.

Treated seed must not be used for or mixed with food or animal feed, or processed for oil. Seed commercially treated with Agrosol T must be labeled in accordance with all applicable requirements of the Federal Seed Act.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not apply directly to water, to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters. Exposed treated seeds may be hazardous to birds and other wildlife. In the event that treated seeds are spilled and cannot be salvaged, completely cover them with soil. Dispose of all excess treated seeds by burial away from bodies of water.

PRODUCT INFORMATION

AGROSOL T is a seed treatment fungicide specially prepared for commercial seed treatment. AGROSOL T, when used at the correct rate, will protect wheat and soybean seed from soil and seed borne diseases that cause damping-off, seed decay, and seedling blights. In soybeans, Agrosol T protects seeds infected with Pod and Stem Blight (*Phomopsis* spp.) during germination and early seedling stages.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

ALWAYS READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH PRECAUTIONARY STATEMENTS AND DIRECTIONS, AND WITH APPLICABLE STATE AND FEDERAL REGULATIONS.

Use Precautions

AFTER WORK: Take off all clothes and shoes. Shower using soap and water. Do not wear contaminated clothing. Wash protective clothing and equipment with soap and water after each use. Personal clothing worn during use must be laundered separately from household articles.

Application Instructions

Thoroughly mix and agitate Agrosol T in the container and mix tank before using. Use at room temperatures above 40°F for best seed application results. Use Agrosol T in liquid and slurry treaters at the following rates:

Soybeans: 6.6 fluid ounces per 100 pounds of seed
(4 fluid ounces per bushel)

Wheat: 6.6 fluid ounces per 100 pounds of seed
(4 fluid ounces per bushel)

NOTE: The purchaser of this product is responsible for insuring that all seed treated with this product are adequately dyed with a suitable color to prevent its accidental use as food for man or feed for animals. Refer to 21 CFR, Part 2.25. Any dye added must be cleared for use under 40 CFR, Part 180. 1001.

Always wash hands and arms with soap and water before using toilet facilities.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Keep container tightly closed when not in use. Store above 32°F. Product stored at a lower temperature can be restored for use by warming to approximately 70°F and thoroughly shaking or stirring before use. Store away from water, food and feed.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse, then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.

WARRANTY STATEMENT

NOTICE: The statements made on this label are believed to be true and accurate, but because of conditions of use which are beyond our control, WILBUR-ELLIS COMPANY does not make, nor does it authorize any agent or representative to make, any warranty, guaranty or representation, expressed or implied, concerning this material or the use thereof, except in conformity with the statements on the label. Neither WILBUR-ELLIS COMPANY nor the seller shall be held responsible in any manner for any personal injury or property damage or loss resulting to the buyer or to the other person from handling, storage or use of this material, not in accordance with directions. The buyer assumes all risk and liability resulting from improper handling, storage or use and accepts and uses this material on these conditions.
