ORLANDO, FLORIDA 32810

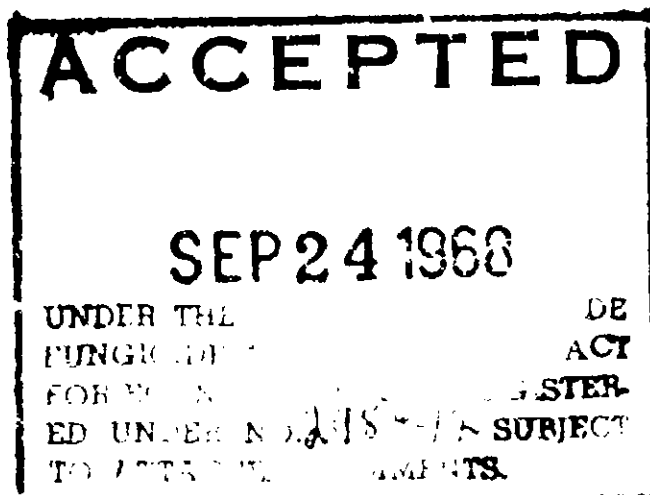

B-S-P may be used in standard hand sprayers or compressed-air sprayers; in mechanical fog generators, and in electric sprayers and atomizers

To fog 500 cubic feet, use 4 ounces of B-S-P. Direct the spray thoroughly on joints, cracks and crevices about the area

B-S-P is a combination of synergized pyrethrum extract and odorless oil base, giving a superior knock-down and killing power

To kill ROACHES, WATER-RUGS, SILVERFISH, thoroughly spray infested areas, working spray into cracks and other hiding places. When possible spray the insects directly. Repeat when necessary. To kill ANTS in buildings, follow directions for killing roaches, etc. Spray ant trails and areas around door sills and window frames where the pests enter premises. Repeat when necessary

Batch No.

To kill FLIES, MOSQUITOES AND GNATS — Close doors and windows of infested area. Fill infested area with mist, using hand or electric atomizer. Allow sprayed area to remain closed for 10 minutes. Repeat when necessary

For MOths & CARPET BEETLES — Thoroughly spray clothing or carpets, particularly the seams or folds.

Closets and storage containers should be filled with fine mist and remain closed for 30 minutes after spraying. Spray into any cracks or other hiding places. Repeat every month unless articles are stored in a moth-tight container.

To kill FLEAS, spray thoroughly floors, walls, and sleeping quarters of animals.

To kill SPIDERS, CENTIPEDES, CRICKETS, WASPS, BEEs, BLACK FLIES, SAND FLIES, STABLE FLIES, HORSE FLIES, AND GREEN BOTTLE FLIES — Hit directly with the spray.
