

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS**

WARNING

KEEP OUT OF REACH OF CHILDREN

May be fatal if absorbed through skin. Causes skin and eye irritation. Harmful if swallowed or inhaled. Do not get on skin, in eyes or on clothing. Wear protective clothing and rubber gloves. Avoid breathing vapors or spray mist. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment or disposal of waste. Apply this product only as specified on the label.

In case of Emergency—immediately call (24 hours) (800) 424-9300 Chemtrec.

STORAGE AND DISPOSAL

PROHIBITIONS: Do not contaminate water, food or feed by storage or disposal.
STORAGE: Do not store below 0° F. Product crystallizes at lower temperatures. Warm or store at higher temperatures and mix to redissolve crystals and assure uniformity before use.
PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.
CONTAINER DISPOSAL:
METAL: Triple rinse (or equivalent), then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.
PLASTIC: Triple rinse (or equivalent). Puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

USE PRECAUTIONS

READ ALL DIRECTIONS BEFORE USING. Apply this product only as specified on this label. Keep children and pets away from treated wood. Do not store near feed or food. Keep container tightly closed when not in use. The product is toxic to fish. Apply only as specified on this label.

WOODFUME

A Fumigant for Controlling Decay and Insects in Wood Poles

ACTIVE INGREDIENT: Sodium methylthiocarbamate (Anhydrous) 32.7%*

INERT INGREDIENT 67.3%

* Contains 3.18 lbs. active ingredient per gallon TOTAL 100.0%

**KEEP OUT OF REACH OF CHILDREN
WARNING**

READ ENTIRE LABEL FOR PRECAUTIONARY STATEMENTS

PRODUCT INFORMATION

WOODFUME® is a fumigant solution. When used as directed, it will arrest internal decay present in poles, piling and similar large timber members. During this sterilization of the treated area, a fungicidal residue is deposited in the cells of the wood. This residue is effective for an indefinite period.

Timber known to have internal decay should be scheduled for treatment before they have decayed to the point where replacement is necessary.

DIRECTIONS FOR USE

GENERAL CLASSIFICATION

It is a violation of Federal Law to use this product in a manner inconsistent with it's labeling.
 Large structural timbers have so many different end uses that the groundline area of a 48" circumference standing pole is taken as a guide and example for application of this product.
 For interior decay drill an adequate number of holes at a 45° angle downward to a length of approximately 2 1/2 times the radius of the wood. The first hole should be at the groundline and succeeding holes approximately 6-8" higher and 90° rotated from the next lower hole.
 Inject equal amounts of the fumigant into all holes. The amount of fumigant to be used per pole is based on the pole circumference at groundline and in accordance with the table below.
 Circumference: 22-36 Woodfume: 1 pint Circumference: 48-66 Woodfume: 2 pints
 For other types of structural members drill an adequate number of holes, sufficiently spaced and of sufficient dimensions to allow for proper distribution of product.
 Plug holes with treated wood plugs, using the precautions of wearing safety goggles to avoid splashing any of the liquid into the eyes.
 EPA Est. No. 18182-AR-1, 1448-BAO-1, 1448-TM-1 EPA Registration No. 3008-33

STATEMENT OF PRACTICAL TREATMENT

FIRST AID: Immediately start the procedures given below and contact a Poison Center, a physician, or the nearest hospital. Report the type and extent of exposure and describe the victim's symptoms, and follow the advice given.

IF ON SKIN: Wash with plenty of soap and water. Get medical attention.

IF INHALED: Remove victim to fresh air. If not breathing give artificial respiration, preferably mouth to mouth. Get medical attention.

IF IN EYES: Flush with plenty of water. Call a physician & irritation persists.***

IF SWALLOWED: Flush with plenty of water. Call a physician or Poison Control Center. Drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid Alcohol.

NOTICE-READ CAREFULLY

CONDITIONS OF SALE: Osmose offers this product for sale subject to, and buyer and all users are deemed to have accepted, the following conditions of sale and warranty which may only be varied by written agreement of a duly authorized representative of Osmose.

WARRANTY LIMITATION: Osmose warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the directions for use on the label subject to the inherent risks referred to below. Osmose makes no other express warranties; THERE IS NO IMPLIED WARRANTY OF MERCHANTABILITY and there are no warranties which extend beyond the description on the label hereof.

INHERENT RISKS: The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks associated with use. Buyer assumes all risks associated with use or application of this product contrary to label instructions or resulting from extraordinary weather conditions.

LIMITATION OF LIABILITY: In no case shall Osmose be liable for special, indirect, or consequential damages resulting from the use or handling of this product and no claim of any kind shall be greater in amount than the purchase price of the product in respect to which such damages are claimed.
