**PRECAUTIONARY STATEMENTS
HAZARD TO HUMANS
AND DOMESTIC ANIMALS
WARNING:**

May be fatal if swallowed. Corrosive. Causes irreversible eye damage. Do not get in eyes. Wear protective eye wear (goggles, face shield or safety glasses). Wash thoroughly with soap and water after handling. Do not get in eyes, on skin, or on clothing. Remove contaminated clothing and wash clothing before reuse.

Applicators must not eat, drink, or use tobacco products during those parts of the application process that may expose them to the wood treatment formulation.

Wash thoroughly after skin contact, and before eating, drinking, use of tobacco products, or using restrooms.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or public waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL

STORAGE: Store in a cool place. Avoid excessive heat.

PESTICIDE DISPOSAL: Do not contaminate water, food, or feed by storage and disposal. Wastes resulting from the use of this product may be disposed of on site, or at an approved waste disposal facility.

CONTAINER DISPOSAL: Completely empty bag. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and Local authorities, by burning. If burned, stay out of smoke.

Pole Wrap™

This product is for commercial purposes only. Not for household use.

PoleWrap™ is a supplemental treatment which aids in extending pole life. Designed specifically to protect the groundline portion of wooden poles, PoleWrap™ contains a recognized water soluble preservative used in the art of wood preservation for more than 40 years. This preservative penetrates deeply into the wood. PoleWrap™ offers protection against decay for a comparable period to your normal groundline treatment cycle, consistent with industry practice.

ACTIVE INGREDIENTS:	
Sodium Fluoride.....	70.6%
INERT INGREDIENTS:	29.4%
	Total 100.0%

**KEEP OUT OF REACH OF CHILDREN
WARNING**

**STATEMENT OF
PRACTICAL TREATMENT**

IF SWALLOWED: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting on or give anything by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air. Apply respiration if indicated. Call a physician immediately.

IF ON SKIN: Remove contaminated clothing and wash affected area with soap and water.

IF IN EYES: Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes. Get medical attention.

EPA Est. No. 3008-NY-1

EPA Reg. NO. 3008-52

Manufactured by:

Osmose Wood
Preserving, Inc.
980 Ellicott Street
Buffalo, NY 14209

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Dig around the groundline of the pole to be treated to a depth of approximately 20 inches. Remove hardened creosote and rotted wood. Inspect pole as to remaining serviceability. Clean the surface of the pole to be treated. Measure the circumference of the pole. Cut from the roll of PoleWrap™ the length needed. Apply to the pole to the depth of approximately 18 inches below groundline, and 2 inches above groundline. Attach to pole by means of staples or tacks. Be sure bandage is pulled tight to be in close contact with the wood pole. Back fill and tamp the earth around the pole to 2 inches above the original groundline.

Proper use includes the covering of any exposed product above the groundline in areas where children or livestock may come in contact with it. Various products which can be used for this purpose are Osmose's Pasture Wrap or some other type of barrier which prevents the product from being easily removed and consumed. If you have any questions regarding this product, please contact Osmose at (716) 882-5905 and ask for the Product Manager in the Utilities Division.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.

NOTE

Seller makes no warranty, expressed or implied concerning this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
