NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with the provisions of Section 3(c)(7)(A) of the Federal Insecticide, Fungicide and Rodenticide Act, as amended (FIFRA), since you have agreed that:

1. You will submit or cite the data listed below, conducted with your product or a substantially similar product, in accordance with the test guidelines referred to below no later than 9 months from the date of registration of your product (Federal Register Vol. 49, No. 207, 42856-42905, October 24, 1984):

a. Dermal Sensitization (Guidelines Reference No. 81-6)

2. You will submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL _____ DATE _____

and provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

- a. Add the phrase, "EPA Registration No. 3008-53".
- b. Change "It is not intended for household use" to "Not for household use".
- c. The Statement of Practical Treatment for swallowing should read as follows:

If Swallowed: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or or give anything by mouth to an unconscious person.

2. Submit five (5) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Sincerely,

Lois A. Rossi

OSMOSE WOOD PRESERVING, INC. RAILROAD DIVISION

Post Office Box 8276
Madison, Wisconsin 53708

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

ADZ-PAD extends the service life of treated railroad ties and other structural timbers for three to five years by penetrating into the wood and providing effective protection against decay-producing fungi (such as brown and white rot).

ADZ-PAD is to be placed on the adzed portion of railroad tie by hand or machine. Pad (treated area) should be completely covered by tie plate. Pad should not be directly exposed to rain.

Application to other timber. Remove all surface decay. Apply ADZ-PAD and cover thoroughly to prevent direct exposure to weather. Ready to use. Do not use with other preservatives.

NOTE

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
