

JUL 28 1993

Ms. Terri Muchow
Osmose Wood Preserving, Inc.
980 Ellicott Street
Buffalo, NY 14209

Dear Ms. Muchow:

Subject: Sodium Fluoride Powdered - Revised labeling
EPA Registration No. 3008-58
Your Submission Dated June 10, 1993

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable provided that you:

1. Delete the second paragraph under "For Pesticide Formulation Use". This paragraph includes uses not included under directions for use. Additionally, we have no record of the registration of sodium fluoride as a pesticide (fungicide) in rubber, glue or leather goods.
2. To be consistent, you should use boldface print for the statement, "For Non-Pesticide Industrial Use", at the start of the last paragraph in the left-hand column.

Submit five (5) copies of the final printed labeling.

Sincerely yours,

Clarence O. Lewis, III
Acting Product Manager (21)
Fungicide-Herbicide Branch
Registration Division (H7505C)
