

[3051-62]

BTB is a biological insecticide preparation suitable for use on  
cabbage, lettuce, and other plants.

### DIRECTIONS

Apply when pests first appear and repeat applications as often  
as necessary. Thorough plant coverage is necessary for good control.

**LETTUCE CABBAGE:** for the control of cabbage looper use 35 pounds  
per acre. BTB is exempt from tolerance.

### CAUTION

Do not reuse empty container. Destroy it by burying with waste or  
burning. Stay away from smoke fumes.

Reasonable care should be taken to avoid inhalation or contact  
with open wounds.

Do not apply to food or feed crops under conditions resulting in  
excessive residue at harvest.

Keep out of lakes, streams, or ponds. Do not contaminate water by  
cleaning of equipment, or disposal of wastes. Apply this product only  
as specified on this label.
