

SANITIZED®
(brand)

Van Interior Aerosol

**To inhibit mildew growth on surfaces and to kill
the exposed stages of insects including Roaches,
Flies, Silverfish, Fleas, Mosquitoes, Wasps and
Waterbugs.**

CAUTION

Keep out of reach of children

U.S.D.A. Reg. No. 3090-163

SANITIZED treatment will inhibit the growth of bacteria, mold and mildew and will kill the exposed stages of insects including species mentioned on front panel.

DIRECTIONS FOR USE....

Place unit on floor of empty van in an upright position and depress valve and lock by inserting pin. Total release of the chemical content will occur within two minutes. Be sure that all doors are secure to confine the spray fog within the van. Two Sanitized fogging units are required in vans over 30 feet long. For continued control of mold and mildew repeat treatment as necessary.

CAUTION....

Do not store above 120°F. nor puncture or incinerate. May cause skin or eye irritation. Do not breathe spray mist. Air vans thoroughly before re-entry. Net weight 6½ ozs.

ACTIVE INGREDIENT....

Pentachlorophenol	0.10%
Pyrethrins	0.50%
*Technical Piperonyl Butoxide	1.00%
