Sanitized® brand

Bacteriostatic Fabric Softener

Active Ingredient:

5-Chloro-2-(2,4-Dichlorophenoxy) phenol 1.5%

Inert Ingredient:

98.5%

100.0%

Use: Helps to inhibit the growth of Gram Positive and Gram Negative organisms. Sanitized® brand Softener is a bacteriostatic conditioner in ready-to-use powdered form. Leaves fabric with a bacteriostatic finish that helps to inhibit the growth of representatives of both gram positive and gram negative organisms including E. coli, Proteus and antibiotic resistant Staph.

CAUTION: Keep Out Of Reach of Children. Causes eye irritation. Do not get in eyes. In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Call a physician. Avoid contact with skin. Avoid contamination of food.

Directions for Use:

Apply Sanitized® fabric softener in the final rinse. Add 1 1/2 ounces (42 grams) per 100 lbs. of dry fabric weight in 20 gallons of water or 2 to 4 grams per 10 pounds of dry fabric weight in 8 to 10 gallons of water. Rinse empty container thoroughly with water and discard it.
