

SANITIZED® BRAND BACTERIOSTAT LC

Active Ingredients:

5-Chloro-2 (2,4-Dichlorophenoxy)phenol	3.5%
Bis(tri-n-butyltin)oxide	2.5%

Inert Ingredients:

94.0%
<hr/> 100%

USE: A bacteriostatic laundry additive for Commercial Laundries.

DANGER: Keep Out of Reach of Children. Corrosive. Causes eye damage and severe skin irritation. Do not get in eyes, on skin or on clothing. Protect eyes and skin when handling. Harmful if swallowed. Avoid contamination of food. May be absorbed through the skin.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Call a physician immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

Do not re-use container. Destroy it by perforating or crushing. Bury or discard in safe place. For plastic containers - rinse empty container thoroughly with water and discard it.

Directions for Use:

Add 2-3 fluid ounces of LC and a maximum of 60 gallons of water per 100 pounds of dry laundry.

Before adding the LC to the rinse water, dilute the LC in 2-3 gallons of water. This solution should then be added to the last rinse while rinse water is under agitation.
