**ACCEPTED**  
APR 19 1979  
Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No. 2095-24

**ANT TRAP**  
KILLS sweet & grease eating ants  
Directions for use:  
Place along trails & ant colonies  
Put traps 10-20 ft. apart. In 3-7 days ants will be killed.  
Replace with new traps every 30 days. Avoid contamination of food and food stuff.  
DISPOSAL: Do not reuse empty containers. Wrap containers and put in trash collection.
