PRECAUTIONARY STATEMENTS:

Hazards to Humans and Domestic Animals

WARNING: May be fatal if swallowed. Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

FIRST AID:

IF SWALLOWED: Call a poison control center or doctor for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water 15-20 minutes. Call a poison control center or doctor for treatment advice.

HOT LINE NUMBER: Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-255-3924 for emergency medical treatment information.

NOTE TO PHYSICIAN: Contains an N-methyl carbamate that inhibits cholinesterase. Propoxur is a reversible cholinesterase inhibitor. Atropine sulfate is antidotal and should be administered only if symptoms persist.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

GENERAL INFORMATION

Remove all food sources from areas where roach discs are to be placed. Use all roach discs at one time for thorough roach control. Do not remove roach discs from box until

ready to use. Do not use this product in food areas of food handling establishments, restaurants, or other areas where food is prepared or processed.

APPLICATION INSTRUCTIONS

1. Break individual roach discs apart from plastic frames (Graphic as pictured).
2. Place roach discs primarily in the kitchen area and bathrooms. Also place near areas where roaches have been. Other areas might include the pantry, utility room, near exposed plumbing fixtures, windows and doors, under sinks, in corners, under stoves or refrigerators, in cabinets.
3. Roaches will feed on the bait and generally return hiding to die.
4. Replace all roach discs every 2 months to keep roaches from returning.

STORAGE AND DISPOSAL STATEMENT: Do not contaminate water, food or feed with storage and disposal.
STORAGE: Store in a cool, dry place inaccessible to children and pets.
DISPOSAL: IF empty, do not reuse container. Place in trash or offer for recycling if available. If partly filled: Call you local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain

SATISFACTION OR REFUND. Should "PIC Roach Control Systems" not reduce the roach population, return the 12 trays plus your sales slip for refund.
