

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (7505P)
Ariel Rios Building
1200 Pennsylvania Ave., NW
Washington, D.C. 20460

EPA Reg. Number:
 3095-25

Date of Issuance:
 MAY 16 2008

NOTICE OF PESTICIDE:
 Registration
 Reregistration
 (under FIFRA, as amended)

Term of Issuance: **Unconditional**

Name of Pesticide Product:
PIC Roach Control Systems

Name and Address of Registrant (include ZIP Code):

PIC Corporation
 1101-1107 West Elizabeth Avenue
 Linden, NJ 07096

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Reregistration Eligibility Decision, EPA has reregistered the product listed above. This action is taken under the authority of section 4(g)(2)(C) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Generic data requirements that have been identified in the RED as confirmatory data for the active ingredient contained in the subject product will continue to be tracked and assessed in the Agency's continual reassessment of pesticides.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable with the following comments:

- *Under the Directions for Use section, delete the sentence "Use all roach bait stations at one time for thorough roach control."*

You must submit one (1) copy of the final printed label before you release the product for shipment. Products shipped after 12 months from the date of this Notice or the next printing of the label whichever occurs first, must bear the new revised label. A stamped copy of the label is enclosed for your records. Should you have any questions, please contact Julie Chao at 703-308-8735 or chao.julie@epa.gov.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed. Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

FIRST AID

IF SWALLOWED: Call a Poison Control Center or Doctor for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by Poison Control Center or Doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or Doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or Doctor for treatment advice.

HOT LINE NUMBER Have the product container or label with you when calling a Poison Control Center or Doctor, or going for treatment. You may also contact 1-800-255-3924 for emergency medical treatment information.

NOTE TO PHYSICIAN Contains an N-methyl carbamate that inhibits cholinesterase. Propoxur is a reversible cholinesterase inhibitor. Atropine sulfate is antidotal and should be administered only if symptoms persist.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Remove all food sources from areas where roach bait stations are to be placed. Use all roach bait stations at one time for thorough roach control. Do not remove roach bait stations from box until ready to use. Do not use this product in food areas of food handling establishments, restaurants, or other areas where food is prepared or processed.

APPLICATION INSTRUCTIONS

1. Break individual roach bait stations apart from plastic frames (Graphic as pictured).
2. Place roach bait stations primarily in the kitchen area and bathrooms. Also place near areas where roaches have been. Other areas might include the pantry, utility room, near exposed plumbing fixtures, windows and doors, under sinks, in corners, under stoves or refrigerators, in cabinets.
3. Roaches will feed on the bait and generally return hiding to die.
4. Replace bait stations as needed.

For light infestations: Use 2-3 bait stations per room.
For heavy infestations: Use 3-6 bait stations per room.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.
STORAGE: Store product in a cool, dry place inaccessible to children and pets.
DISPOSAL: Nonrefillable container. Do not reuse or refill this container. **IF Empty:** Place in trash or offer for recycling if available. **IF Partly Filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

SATISFACTION OR REFUND. Should "PIC Roach Control Systems" not reduce the roach population, return the [6 or 12] bait stations plus your sales slip for refund.
