INSTRUCTIONS FOR SEPARATING COILS AND HOUSING

1. Remove outer paper wrap and place in garbage.

2. Grasp the two Coils (marked) between your fingers and pull them apart. The Coils will separate from the Housing.

3. Place the Coils in the Housing and push them together. The Coils will fit snugly into the Housing.

4. Place the Housing on the burner and light it. The Coils will begin to burn and the smoke will rise into the air.

5. The Coils will burn for 5-7 hours.

6. For best results, use one coil every 10 feet.

7. Place the Coils in the Housing and push them together. The Coils will fit snugly into the Housing.

8. Place the Housing on the burner and light it. The Coils will begin to burn and the smoke will rise into the air.

9. The Coils will burn for 5-7 hours.

10. For best results, use one coil every 10 feet.

CAUTION: Keep out of reach of children. See other precautions and directions on back panel.

WARNING: Do not use near open flame and other flammable vapors. Do not use in enclosed areas.
