Subject: Notification(s) for Label Revisions under PRN 98-10 and PRN 2007-4
Storage & Disposal and Other Changes

Dear Registrant:

The Agency is in receipt of your Application(s) for Pesticide Notification under Pesticide Registration Notices (PRN) 98-10 and 2007-4 dated June 30, 2008 for:

EPA Registration 3095-26 "PIC Mosquito Repellent Coils"

The Registration Division (RD) has conducted a review of the request(s) for applicability under PRN 98-10 and PRN 2007-4 and finds that the label changes requested fall within the scope of PRN-98-10 and PRN-2007-4. The label has been date-stamped "Notification" and will be placed in our records.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label (and can be added by non-notification/PR Notice 98-10) or durably marked on the container itself.

If you have any questions, please contact me directly at 703-305-6249 or Owen F. Beeder of my staff at 703-308-8899.

Sincerely,

A handwritten signature in black ink, appearing to be "Linda Arrington".

Subject: PIC Mosquito Repellent Coils
EPA Reg. No. 3095-26
PR- Notice 2007-4

Dear Ms. Hobgood:

As its authorized representative, PIC Corporation wishes to revise the subject label as described below. Notification is consistent with PR Notice 98-10.

The changes include:

- Updating Container Disposal instructions per PR Notice 2007-4.
- A consistent use of "Dependable Insect and Rodent Control Products For Over 50 Years" in all locations on the label. Changed to "Dependable Insect and Rodent Control Since 1953".
- Removal of the web-site address throughout the label.
- Correct spelling mistakes and typo's through out the label.
- Update company address.

To complete this notification application, enclosed please find:

- Application for Pesticide: Notification (EPA Form 8750-1)
- One copy of the revised labeling dated 7/2/08
- One CD e-label file name 003095-00026.20080702.PICMosquitoRepellentCoils.pdf

I trust that this information will assist the Agency in its efforts to complete this notification. If you have any question in regard to this mater, feel free to contact me at (856) 751-3432 or jacovert@comcast.net.

Sincerely,

Jeanette Covert

E-LABEL Notice

The electronic copy of the label (PDF on a CD) submitted with this application has been removed by the In-processing Team for entry into the Electronic Label Library* (ELL) to make it available to OPP staff.

You should be using this e-label to conduct your label review.

Note: If the e-label is not found in the ELL then it was probably not named correctly and could not be entered into the ELL. However, the file can be retrieved from the CD which is retained by the In-processing Team.

If the e-label is not found in the ELL, contact Tom Harris, RD (308-9423), Willie Abney, AD (308-1689) or Jim Downing, BPPD (308-9071) for further information and assistance.

PIC Mosquito Coils help repel mosquitoes in confined areas outdoors. It is useful in places where there is little or no breeze such as patios, porches, picnic areas and campsites.

KEEP OUT OF REACH OF CHILDREN AND DOMESTIC ANIMALS: CAUTION

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if ingested. Avoid prolonged inhalation. Do not touch lit end. Do not place in direct contact with flammable surface. Do not use in restaurants or indoors. Cover all exposed foods to avoid contamination.

FIRST AID

IF SWALLOWED: Call a Poison Control Center or Doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the Poison Control Center or Doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a Poison Control Center or Doctor for treatment advice.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or Doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or Doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or Doctor, or going for treatment. For Emergency Information on our products call 1-800-255-3924.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Stand serves as a holder for the coil. Pull centerpiece to upright position.

Directions for separating coils and uses:
Each disc consists of two (2) coils that should be separated.

- Loosen outer rings until end moves freely.
- Grasp each comma shaped portions in the center between thumb and forefinger of each hand.
- Separate the two comma shaped portions by gently pressing them in opposite directions 1 inch apart.
- Hold one comma shaped end and shake lightly or gently pry apart to separate the coils.
- Insert top of the coil stand into slot in comma shaped end of coil.
- Light outer end of coil until glowing.
- Blow out any flame.
- Do not touch glowing end.
- Place coils 6-10 feet apart around area to be protected.
- For best results do not use in windy areas.
- Coil burns 5-7 hours in still air.
- If shorter periods of use are desired, break coil into appropriate length and place in notched cut of holder.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.
STORAGE: Store in a cool area away from heat, liquid and open flame. Store in an area inaccessible to children and pets.
DISPOSAL: Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

MOSQUITO COIL BURNER
 PIC Logo

PIC Pictograms (4 Pictograms showing how to use)
 Optional (Metal, Bamboo or Terra Cotta)

- Separating the coil
- Lighting the coil
- Place coil in burner
- Coil Working

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Outdoor Coil Burner TM serves as holder for the coil. Lift lid and place coil on center stem in base.

Directions for separating coils and use of burner.
 Each disc consists of two (2) coils that should be separated.

1. Remove one Comma shaped coil from the enclosed protective wrapping.
2. Light outer end of Comma coil until glowing / blow out flame. Do not touch glowing end.
3. Place the Comma shaped coil onto the stem in the base of the Mosquito Coil Burner. Lightly twist the coil so the stem fits into slot at the center end of the coil.
4. Place the lid back onto Mosquito Coil Burner.
5. Place the Mosquito Coil Burner in area away from children.
6. Place additional Mosquito Coil Burners 6-10 feet apart around area to be protected.
7. For best results do not use in windy areas. Coil burns 5-7 hours in still air.
8. If shorter periods of use are desired, break coil into appropriate length and place in burner on raised surfaces.

PIC Mosquito Coils help repel mosquitoes in confined areas outdoors. It is useful in places where there is little or no breeze such as patios, porches, picnic areas and campsites.

Have the product container or label with you when calling a Poison Control Center or Doctor, or going for treatment. For Emergency Information on our products call 1-800-255-3924.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Remove PIC Mosquito Stick from box.

Ignite tip until it flames.

Invert to further ignite body of the stick.

When this occurs, blow out flame.

It will now burn without flame and create a smoke to repel mosquitoes.

Place bottom end of stick into ground.

Do not touch glowing end.

Place PIC Mosquito Stick about 10-12 feet apart.

To extinguish, gently knock off glowing tip and extinguish tip into dirt or sand.

Note: If crack appears in body of sticks, this is normal and in no way impedes its effectiveness.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

STORAGE: Store in a cool area away from heat, liquid and open flame. Store in an area inaccessible to children and pets.

DISPOSAL: Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
