UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
WASHINGTON, D.C. 20460-0001

OFFICE OF CHEMICAL SAFETY
AND POLLUTION PREVENTION

May 8, 2012

Mr. John F. Wright
Agent for PIC Corporation
Product & Regulatory Associates, LLC
P.O. Box 1683
Voorhees, NJ 08043-9998

Subject: Amended Reregistration Label
Product Name: PIC Mosquito Repellent Coils
EPA Registration Number: 3095-26
EPA Decision Number: 425045

Dear Mr. Wright:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the **Allethrin RED** and has concluded that your submission is acceptable.

NOTE: This product is **not** being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label or durably marked on the container itself, and can be added by non-notification per PRN 98-10.

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below. Any previously dated CSFs are superseded.

- Basic CSF, dated 4/4/11

A copy of your label stamped "Accepted" is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

If you have any questions about this letter, please contact either Linda Arrington at (703) 305 6249 or via e-mail at Arrington.Linda@epa.gov.

Sincerely yours,

fr Richard J. Gebken
Product Manager (10)
Insecticide Branch
Registration Division (7505P)

Enclosures: Label stamped "Accepted," dated 5/8/2012
Acute Toxicity Review, dated 12/10/2010
Product Chemistry Review, dated 4/11/2011 and 4/3/2012

PIC Mosquito Coils help repel mosquitoes in confined areas outdoors. It is useful in places where there is little or no breeze such as patios, porches, picnic areas and campsites.

KEEP OUT OF REACH OF CHILDREN AND DOMESTIC ANIMALS

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed. Cause moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse..

FIRST AID

IF SWALLOWED: Call a Poison Control Center or Doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the Poison Control Center or Doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or Doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a Poison Control Center or Doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or Doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or Doctor, or going for treatment. For Emergency Information on our products call 1-800-255-3924.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Outdoor use only.

Do not touch lit end. Do not place in direct contact with flammable surface. Do not use in restaurants or indoors. Cover all exposed foods to avoid contamination.

Stand serves as a holder for the coil. Pull centerpiece to upright position.

Directions for separating coils and uses:

Each disc consists of two (2) coils that should be separated.

Loosen outer rings until end moves freely.

Grasp each comma shaped portions in the center between thumb and forefinger of each hand.

Separate the two comma shaped portions by gently pressing them in opposite directions 1 inch apart.

Hold one comma shaped end and shake lightly or gently pry apart to separate the coils.

Insert top of the coil stand into slot in comma shaped end of coil.

Light outer end of coil until glowing.

Blow out any flame.

Do not touch glowing end.

Place coils 6-10 feet apart around area to be protected.

For best results do not use in windy areas.

Coil burns 5-7 hours in still air.

If shorter periods of use are desired, break coil into appropriate length and place in notched cut of holder.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

STORAGE: Store in a cool area away from heat, liquid and open flame. Store in an area inaccessible to children and pets.

PESTICIDE DISPOSAL and CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

MOSQUITO COIL BURNER

PIC Logo

PIC Pictograms (4 Pictograms showing how to use)

Optional (Metal, Bamboo or Terra Cotta)

- Separating the coil
- Lighting the coil
- Place coil in burner
- Coil Working

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Outdoor use only.

Do not touch lit end. Do not place in direct contact with flammable surface. Do not use in restaurants or indoors. Cover all exposed foods to avoid contamination.

Outdoor Coil Burner TM serves as holder for the coil. Lift lid and place coil on center stem in base.

Directions for separating coils and use of burner.

Each disc consists of two (2) coils that should be separated.

1. Remove one Comma shaped coil from the enclosed protective wrapping.
2. Light outer end of Comma coil until glowing / blow out flame. Do not touch glowing end.
3. Place the Comma shaped coil onto the stem in the base of the Mosquito Coil Burner. Lightly twist the coil so the stem fits into slot at the center end of the coil.
4. [[Place the lid back onto Mosquito Coil Burner.] Optional Metal Burner does not have lid]
5. Place the Mosquito Coil Burner in area away from children.
6. Place additional Mosquito Coil Burners 6-10 feet apart around area to be protected.
7. For best results do not use in windy areas. Coil burns 5-7 hours in still air.
8. If shorter periods of use are desired, break coil into appropriate length and place in burner on raised surfaces.

PIC Mosquito Coils help repel mosquitoes in confined areas outdoors. It is useful in places where there is little or no breeze such as patios, porches, picnic areas and campsites.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Outdoor use only.

Do not touch lit end. Do not place in direct contact with flammable surface. Do not use in restaurants or indoors. Cover all exposed foods to avoid contamination.

Remove PIC Mosquito Stick from box.

Ignite tip until it flames.

Invert to further ignite body of the stick.

When this occurs, blow out flame.

It will now burn without flame and create a smoke to repel mosquitoes.

Place bottom end of stick into ground.

Do not touch glowing end.

Place PIC Mosquito Stick about 10-12 feet apart.

To extinguish, gently knock off glowing tip and extinguish tip into dirt or sand.

Note: If crack appears in body of sticks, this is normal and in no way impedes its effectiveness.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

STORAGE: Store in a cool area away from heat, liquid and open flame. Store in an area inaccessible to children and pets.

PESTICIDE DISPOSAL and CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
