Ms. Sherada Hobgood
Document Processing Desk (NOTIF)
Office of Pesticide Programs (7504P)
U.S. Environmental Protection Agency
Room S-4900, One Potomac Yard
2777 South Crystal Drive
Arlington, VA 22202-4501

Subject: PIC X-100 DEET
EPA Reg. No. 3095-27
Notifications per PR Notice 98-10

Dear Ms. Hobgood:

As its authorized representative, PIC Corporation has chosen to revise the subject labeling via the notification process. This notification is consistent with PR Notices 98-10.

The changes for the pump sprayer label include:

- A consistent use of the "Warning" signal word in all locations. The stamped accepted label had the incorrect signal word in several locations.
- Presentation of marketing format with insect images.
- Complete registrant's address in all locations

To complete this notification application, enclosed please find:

- Application for Pesticide: Notification(EPA Form 8750-1)
- PIC X-100 revised labeling (1 copy)
- A self addressed stamped post card

Also note that the mailing address for Product & Regulatory Associates LLC has changed as indicated in the letter head. All other contact information remains the same.

I trust that this information will assist the Agency in its efforts to complete this notification. If you have any question in regard to this mater, feel free to contact me at (856) 424-1528 or JWrightCH@comcast.net.

Sincerely,

John F. Wright
