OCT 3 1985

TERM OF ISSUANCE

NAME OF PESTICIDE PRODUCT

PIC Wasp and Hornet Killer

NOTICE OF PESTICIDE:

REGISTRATION  
 REREGISTRATION

(Under the Federal Insecticide, Fungicide,  
and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (include ZIP code)

PIC Corporation  
23 South Essex Avenue  
Orange, NJ 07050

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

Add the phrase "EPA Registration No. 3095-31" to your label before you release the product for shipment.

Submit five (5) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(p). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Precautionary Statements  
Hazards to Humans and Domestic Animals

CAUTION

Do not use in commercial food processing, preparation, serving or storage areas. In the home all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Cover exposed food.

Remove pets, birds and cover fish aquariums before spraying.

Statement of Practical Treatment

- IF SWALLOWED: Do not induce vomiting because of aspiration hazard! Get medical attention.
- IF ON SKIN: Wash off with soap and water. Get medical attention if irritation persists.
- IF IN EYES: Flush with plenty of water. Get medical attention if irritation persists.

Physical Hazards

FLAMMABLE. Contents under Pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F. may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For Control of Wasps, Hornets, Bees, Yellow Jackets: Point valve opening toward nest, crevice or hold where infestation or insects are known to be inside. Depress button, continuing to spray until the nest or the area sprayed is completely saturated. Application at night after the insects have returned to their nest is preferable. Repeat as necessary.

STORAGE AND DISPOSAL

STORAGE: Store in a cool area away from heat or open flame.  
 DISPOSAL: Do not reuse empty container. Wrap container and put in trash collection.
