PIC CORPORATION
 23 South Essex Avenue
 Orange, NJ 07050

224190
166/17

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec 3(c)(7)(B), provided that you:

1. Submit and/or file all data required for registration/reregistration of your product under FIFRA sec 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you release the product for shipment.

- a. Add the phrase "EPA Registration No. 3095-47."
- b. Revise "Statement of Product Pesticide" as follows:
 PESTICIDE: Control of the following insects:
 Control of insects

c. Reformat beginning of Back Panel as follows:

DIRECTIONS FOR USE

It is a violation ... its labelings
Place a few ... destroyed.

d. Delete "s" from "Active Ingredients". Add "Ingredients"
to "Inert".

e. Revise "Storage and Disposal" statements as follows:
Storage and Disposal

Storage: Store only in original container, in a dry
place inaccessible to children and pets.

Disposal: Do not rouse empty container. Rinse
thoroughly. Securely wrap in newspaper
and discard in trash.

3. The acute oral LD₅₀ report was reviewed and found to
be Core Supplemental. However, the data provided are sufficient
to categorize this product for acute oral toxicity: Toxicity
Category IV. We recommend that you submit a complete study and
that the format established under FR Notice 86-5 be used to
upgrade this study.

4. Submit five (5) copies of your final printed labeling
before you release the product for shipment. Refer to the
A-79 Enclosure for a further description of final printed
labeling.

If these conditions are not complied with, the registration
will be subject to cancellation in accordance with FIFRA sec.
6(e). Your release for shipment of the product constitutes
acceptance of these conditions

A stamped copy of the label is enclosed for your records.

John T. Tice
Acting Product Manager (16)
Insecticide-Rodenticide Branch
Registration Division (IS-767C)
