Jeanette Covert  
Authorized Representative for PIC Corp.  
PIC Corporation c/o Product & Regulatory Associates  
P.O. Box 1683  
Voorhees, NJ 08043-9998

Subject: Notification per PRN 98-10 – adding optional 2oz bottle in labeling  
Product Name: PIC Liquid Ant Bait Killer  
EPA Registration Number: 3095-47  
Application Date: 7/10/2015  
Decision Number: 507594

Dear Ms. Covert:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “Notification” and will be placed in our records.

If you have any questions, you may contact Angela Hollis at 703-347-0216 or via email at [hollis.angela@epa.gov](mailto:hollis.angela@epa.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "J. Urbanski" followed by a flourish.

Jennifer Urbanski, Ph.D., Product Manager 4  
Invertebrate and Vertebrate Branch 1  
Registration Division (7505P)

## BACK PANEL

PIC LIQUID ANT BAIT KILLER is an effective method for destroying ants and their colonies.

### PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

**CAUTION:** Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

### FIRST AID

**IF SWALLOWED:** Call a Poison Control Center or Doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the Poison Control Center or Doctor. Do not give anything by mouth to an unconscious person.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a Poison Control Center or Doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or Doctor, or going for treatment. [You may also contact 1-800-255-3924 for Emergency Medical Treatment.]

### DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. Remove all sources of food such as crumbs, sugar and grease spots.
2. Remove the “bait reservoir” insert from [inside] the box and carefully cut into squares.
3. [Fold up the sides of each square to make reservoir.] Fill reservoir and place where ants were seen, such as edge of sinks, tubs, baseboards, windowsills and doorway entrance (if you do not use this board, take aluminum foil and fold to make reservoir).

4. Place bait in areas inaccessible to children and pets.

In approx. 7-10 days the bait will start killing ants in their colonies. It may take up to two months to kill all the Queens in the baited colonies.

**HOW THE SYSTEM WORKS:** The ants you see are workers food providers to the Queen Mother and the larvae residing in the nest. The worker ants feed the colony and the Queen. Thus, when the Worker ants bring back the bait, the entire colony is destroyed.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage and disposal.

**STORAGE:** Store in area inaccessible to children and pets.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Nonrefillable Container.

Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions.

Never place unused product down any indoor or outdoor drain.

**SATISFACTION GUARANTEED:** PIC Corporation guarantees the effectiveness of this product to control ants when the product is used according to directions. If dissatisfied with your purchase, please contact our customer service division at 1-973-678-7300. Please have product and original register receipt available.
