Subject: Registration Review Label Mitigation for Boric Acid/Sodium Salts
Product Name: PIC Liquid Ant Bait Killer
EPA Registration Number: 3095-47
Application Date: 10/25/2018
Decision Number: 551674

Dear Ms. Covert:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the Registration Review of the above referenced product in connection with the Boric Acid/Sodium Salts Interim Decision, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

A copy of your label stamped "Accepted" is enclosed. Products shipped after 12 months from the date of this amendment must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6.

If you have any questions about this letter, please contact Jaclyn Pyne by phone at 703-347-0445, or via email at pyne.jaclyn@epa.gov.

Dependable Insect And Rodent Control Since 1953

Optional Marketing Claim:

- Kills Ants up to 2 Months excluding Fire Ants and Carpenter Ants
- Kills Sweet & Grease Eating Ants, [Pavement Ants, Odorous House Ants And Little Black Ants]. Excluding Fire Ants and Carpenter Ants
- Effective Formula [-Slow Acting For Complete Ant Control]
- Easy To Store
- Destroys Entire Ant Colony excluding Fire Ants and Carpenter Ants
- Reduces Ant Population Within Days excluding Fire Ants and Carpenter Ants
- Kills Ants excluding Fire Ants and Carpenter Ants
- Kills Common Household Ants excluding Fire Ants and Carpenter Ants
- Odorless Formula
- Contains 9 reusable bait reservoirs

Pictogram: [pictograms are optional]

- Ants  
- Bottle [this is for Supplemental Distributor products]

KEEP OUT OF REACH OF CHILDREN AND DOMESTIC ANIMALS
CAUTION

See First Aid and Precautionary Statements on Back Panel.

Active Ingredient: Sodium Tetraborate Pentahydrate.....5%
Other Ingredients:95%
Total100%

NET CONTENT: 2 oz. (57 grams)
10oz (285 grams)
2 fl. oz (59 ml)

10 fl. oz (295 ml)

Made in the U.S.A.

[Pictogram of flag optional]

BACK PANEL

PIC LIQUID ANT BAIT KILLER is an effective method for destroying ants and their colonies.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION: Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling.

FIRST AID

IF SWALLOWED: Call a Poison Control Center or Doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the Poison Control Center or Doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a Poison Control Center or Doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or Doctor, or going for treatment. [You may also contact 1-800-255-3924 for Emergency Medical Treatment.]

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. Remove all sources of food such as crumbs, sugar and grease spots.
2. Remove the “bait reservoir” insert from [inside] the box and carefully cut into squares.
3. [Fold up the sides of each square to make reservoir.] Fill reservoir and place where ants were seen, such as edge of sinks, tubs, baseboards, windowsills and doorway entrance (if you do not use this board, take aluminum foil and fold to make reservoir).

4. Place bait in areas inaccessible to children and pets.

In approx. 7-10 days the bait will start killing ants in their colonies. It may take up to two months to kill all the Queens in the baited colonies.

Use of this product for the control of bed bugs is prohibited.
Applications to carpets are prohibited.

HOW THE SYSTEM WORKS: The ants you see are workers food providers to the Queen Mother and the larvae residing in the nest. The worker ants feed the colony and the Queen. Thus, when the Worker ants bring back the bait, the entire colony is destroyed.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

STORAGE: Store in area inaccessible to children and pets.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable Container.

Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions.

Never place unused product down any indoor or outdoor drain.

SATISFACTION GUARANTEED: PIC Corporation guarantees the effectiveness of this product to control ants when the product is used according to directions. If dissatisfied with your purchase, please contact our customer service division at 1-973-678-7300. Please have product and original register receipt available.
