OFFICE OF
PREVENTION, PESTICIDES AND
TOXIC SUBSTANCES

Subject: EPA Reg. No. 3095-67
PIC Baygon Roach Control Paste
Label Amendment: Minor changes
Submission dated February 16, 2005

Dear Mr. Jackson:

Your application for a label amendment for the product referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended is acceptable, provided you make the following changes:

1. Replace Exterminator' formula (front panel) with Exterminator's formula
2. Reformat the "PRECAUTIONARY STATEMENTS" section (page 2) as follows:
PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
WARNING: May be fatal if swallowed. Harmful if absorbed through the skin. Avoid contact with skin, eyes or clothing."
3. Move the "CONDITION OF SALE" (page 3) to below the "STORAGE AND DISPOSAL STATEMENT" section.

A stamped copy of the label is enclosed for your records. Submit one (1) copy of your final printed labeling before you release the product for shipment. Should you have any questions, do not hesitate to contact the reviewer of this product, Mr. Suku Onnithan at 703-605-0368.

Sincerely,

A handwritten signature in black ink, appearing to read "D.C. Kenny".

Daniel C. Kenny
Product Manager (01)

ENVIRONMENTAL HAZARDS: This product is toxic to wildlife and aquatic invertebrates. Do not apply directly to water. Do not contaminate water by disposal of wastes.

BACK PANEL

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Remove cap at tip of barrel of the pre-filled, disposable syringe then apply paste by pushing down the plunger into cracks and crevices only in area not easily accessible to children and pets. Do not apply paste where it might come in contact with surfaces and open food. Use PIC Roach Control Paste as a spot or crack and crevice treatment for the control of cockroaches in and around home; non food areas of institutions, warehousing and commercial buildings; telephone facilities, sewers, garbage areas, on buses, trains, planes, ships. Apply paste near aggregation and harboring areas. Use under surface of counters, tables, shelving, drawers, under sinks around pipe collars, under refrigerators, stoves, electrical boxes and computer housing. Keep record of area to which applied. Reapply in 1-2 weeks if no bait is visible. Use a number of smaller spot applications for quicker control rather than a few large spots.

CONDITION FOR SALE: Failure to follow label directions may cause injury to animals, man and damage to the environment. PIC offers, and the Buyer accepts and uses this product subject to conditions that extraordinary or environmental conditions, or failure to follow label directions are beyond the control of PIC and are therefore, the responsibility of the Buyer.

STORAGE AND DISPOSAL STATEMENT:

Do not contaminate water, food or feed by storage and disposal

STORAGE: Store in cool dry areas inaccessible to children and pets. Store in original container in cool dry place in a licensed storage area.

DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or call 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
