PIC Ant Killing Systems

NOTICE OF PESTICIDE:

Registration  
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

PIC Corporation  
P.O. Box 1683  
Voorhees, NJ 08043

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by other

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) and (B) provided that you make the following label changes:

- 1. Revise the EPA Registration Number to read, "EPA Reg. No. 3095-72".

Signature of Approving Official:

*See Page 2*

Richard J. Gebken, Product Manager 10  
Insecticide Branch/Registration Division

Date:

AUG 1 2008

Page No. 2  
EPA Reg. No. 3095-72

2. On pages 1, 5, and 8: change "Kills ants" to "Kills Ants (except fire ants, harvester ants, pharaoh ants, and carpenter ants)".

Submit two copies of the revised final printed label for the record. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA Sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

Enclosed is a copy of your label stamped with comments for your records.

Sincerely,

Richard J. Gebken

### PIC ANT KILLING SYSTEMS

PIC Logo

Pictogram:

- Ants
- Bait Station Pictogram
- Suggested tray placement

PIC ANT KILLING SYSTEMS has been the effective method for destroying ants for years. The bait is in a child resistant container. It is effective and easy to use.

### PRECAUTIONARY STATEMENTS

Hazardous to Humans and Domestic Animals

CAUTION: Harmful if swallowed. Avoid contact with eyes. Wash thoroughly with soap and water after handling. Avoid contamination of food or feed. Do not leave package where children or animals may gain access.

### FIRST AID

**IF SWALLOWED:** Call a Poison Control Center or Doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by Poison Control Center or Doctor. Do not give anything by mouth to an unconscious person.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or Doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water 15-20 minutes. Call a Poison Control Center or Doctor for treatment advice.

**HOT LINE NUMBER** Have the product container or label with you when calling a Poison Control Center or Doctor, or going for treatment. For Emergency Information on our product call 1-800-255-3924.

### DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. Separate bait trays.
2. Remove all sources of food such as crumbs, sugar and grease spots.
3. Place under sinks-refrigerators-cupboards.
4. Place by ant trails where ants are numerous.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed with storage and disposal.

**STORAGE:** Store in a cool dry place inaccessible to children and pets.

**DISPOSAL:** Nonrefillable Container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**HOW THE SYSTEM WORKS:** The ants you see are worker food providers to the Queen Mother and the larvae residing in the nest. The worker ants feed the colony and then themselves.

**SATISFACTION OR REFUND.** Should "PIC ANT KILLING SYSTEMS" not reduce the population, return the tray plus your sales slip for refund.
