Subject: PIC Indoor/Outdoor Ant Control, EPA Reg. No. 3095-72  
Date of Registration Submission: November 13, 2008  
Decision: 403103

Dear Mr. Wright,

The data requirement for the Evaluation of the Black PVC Ant Insecticide Station for Child-Resistant Effectiveness, reviewed February 10, 2009, for the labeling referred to above, submitted in connection with registration under the Federal insecticide, Fungicide, and Rodenticide Act, is acceptable subject to the comments below.

1. Under "Storage and Disposal" section, change "Disposal" to "Pesticide Disposal and Container Handling."
2. The CRP review states black PVC ant stations are for indoor use only. Under "Precautionary Statements" for the black PVC plastic containers add, "For indoor use only."

Two (2) copies of the finished labeling must be submitted prior to releasing the product for shipment. A stamped copy of the label is enclosed for your records.

If you have any questions regarding this letter, please contact Samantha Hulkower at (703) 603-0683.

Sincerely,

Kimberly Neszi  
Product Manager 11  
Insecticide Branch  
Registration Division (7505P)

#### PIC ANT KILLING SYSTEMS

PIC Logo

Pictogram:

- Ants
- Bait Station Pictogram
- Suggested tray placement

PIC ANT KILLING SYSTEMS has been the effective method for destroying ants for years. The bait is in a child resistant container. It is effective and easy to use.

#### PRECAUTIONARY STATEMENTS

Hazardous to Humans and Domestic Animals

CAUTION: Harmful if swallowed. Avoid contact with eyes. Wash thoroughly with soap and water after handling. Avoid contamination of food or feed. Do not leave package where children or animals may gain access.

#### FIRST AID

IF SWALLOWED: Call a Poison Control Center or Doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by Poison Control Center or Doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or Doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or Doctor for treatment advice.

HOT LINE NUMBER Have the product container or label with you when calling a Poison Control Center or Doctor, or going for treatment. For Emergency Information on our product call 1-800-255-3924.

#### DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. Separate bait trays.
2. Remove all sources of food such as crumbs, sugar and grease spots.
3. Place under sinks-refrigerators-cupboards.
4. Place by ant trails where ants are numerous.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed with storage and disposal.

**STORAGE:** Store in a cool dry place inaccessible to children and pets.

**DISPOSAL:** Nonrefillable Container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**HOW THE SYSTEM WORKS:** The ants you see are worker food providers to the Queen Mother and the larvae residing in the nest. The worker ants feed the colony and then themselves.

**SATISFACTION OR REFUND.** Should "PIC ANT KILLING SYSTEMS" not reduce the population, return the tray plus your sales slip for refund.
