JAN 30 1998

NOTICE OF PESTICIDE:
Registration
 Reregistration

Term of Issuance: Unconditional

(under FIFRA, as amended)

Name of Pesticide Product: PIC
Boric Acid Roach
Killer III

Name and Address of Registrant (include ZIP Code):

PIC Corporation
23 S. Essex Avenue
Orange, NJ 07050

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Reregistration Eligibility Document, EPA has reregistered the product listed above. With regards to labeling, you must make the labeling changes listed below:

- 1. Revise the Precautionary Statements to read:

Harmful if swallowed or inhaled. Causes eye irritation. Avoid breathing dust. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

- 2. Revise the Statement of Practical Treatment to read:

If Swallowed: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting.

If Inhaled: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

If in Eyes: Flush eyes with plenty of water. Call a physician if irritation persists.

Signature of Approving Official:

[Handwritten Signature] / PM/IB/RD

Date:

JAN 30 1998

page 2
EPA Reg. No. 3095-20201

3. Revise the Storage Statement to read:

Storage: Store in original container away from food and feedstuffs. Keep product in a locked storage area inaccessible to children and pets.

Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Marion Johnson
Product Manager 10
Insecticide-Rodenticide Branch
Registration Division (7505c)

Perfect
