

### DIRECTIONS

release mist, lift off protective cap, then press button, holding container upright and pointing away from you. Do not turn upside down. When using indoors, close doors and windows, open after 15 minutes. To avoid possible staining, hold dispenser three feet away from object.

**KILLS FLIES, MOSQUITOS, FLYING MOTHS, GNATS, SAND FLIES:** Spray toward center of room with circular motion. For average-size room (10x10x10 feet) spray 5 or 6 seconds.

**HOUSEHOLD MOTHS, EGGS AND LARVAE:** Spray thoroughly article to be protected, paying particular attention to seams and folds. Spray inside of storage containers thoroughly. Repeat monthly.

**ANTS:** Spray ant trails in areas around door sills and window frames. Repeat as required.

**BED BUGS:** Spray directly into cracks, baseboards and around walls and floors. Repeat as necessary.

**ROACHES, WATERBUGS, SILVERFISH, FLEAS:** Direct mist into cracks, crevices and recesses behind cabinets, sink, stove, dark hiding places, baseboards, floor coverings, wall cracks. Repeat if necessary.

Spray on **DOGS** and **CATS** for the control of **FLEAS, FLIES, TICKS** and **LICE**. Hold can 6 to 8 inches from animal. Spray entire body until coat is slightly damp. Avoid spraying eyes, face and scrotum. On long-haired dogs spray against the lay of hair so that mist reaches dog's skin. To prevent reinfestation of dogs and quarters use SANE-SPRAY regularly. To control **FLEAS, FLIES, TICKS** in kennels and sleeping quarters, spray bedding, cracks, crevices and flooring thoroughly.

**DEODORIZES "Animal Odors"**

**HUNTERS and CAMPERS:** NOW protection against **ANTS, SPIDERS, FLEAS**. Thoroughly wet ant hills and runways. Spray infested areas thoroughly for spiders and fleas, wetting them directly with the spray whenever possible. Flea infested areas should be thoroughly wetted down with the spray, repeating the applications as reinfestation occurs.

**OUTDOORS:** Kill ants, earwigs, sowbugs, yellow jackets, roaches, gnats, spiders, by directly spraying the pests. Repeat as necessary.
