

80% DI-Syston

analysis 11 11 5

Ingredients For Insect Control

Active Ingredients:
2-(ethylthio) ethyl
diphosphorodithioate

Patent No. 2,759,010
EPA Registration No.

INSTRUCTIONS FOR USE

DI-SYSTON is a systemic insecticide that enters the plant through the root system. The insecticide when placed near, the roots, is picked up and moves in the sap stream to all parts of the plant, where it kills insects as they feed on the plant.

INSTRUCTIONS: For the control of Aphids, Flea Beetles (except tuber flea beetles), Leafhoppers, Colorado Potato Beetles (early season reduction), Southern Potato Wireworm, apply at Rate of 2.5 to 3.75 lb. (2-3% actual insecticide) per acre. Apply as a furrow treatment at the time of planting or as a side dressing. Do not apply within 75 days of harvest. Higher rate to be used in organic soils.

INSTRUCTIONS: For the control of Aphids, Leafhoppers and Mites, apply at Rate of 1/2 lb. (1% actual insecticide) per acre. Do not apply within 30 days of harvest. Do not apply directly on the soil.

IMPORTANT STATEMENT BELOW

When used on sugar beets at the maximum recommended rates under adverse conditions such as extremely cool and wet or extremely dry weather, this product may cause some delay in emergence, stunting of seedling, or reduction of stand. Such damage may be more pronounced in light, sandy soils. Plant injury may also occur or be exacerbated when certain pre-emergence herbicides are used in conjunction with this product.

WARNING
PRECAUTIONS TO BE OBSERVED BY CHILDREN

Children should be kept from playing in treated areas. If swallowed, may be absorbed through skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly after handling.

Atrazine sulfate is antidotal. 2-4 mg. may be administered in conjunction with atropine.

This product is poisonous to fish and wildlife in lakes, streams, and ponds. Apply this product only as directed on the label.

Do not reuse empty container. Do not burn with waste or burning. Stay out of smoke.

XXXXXXXXXXXXXX

Buyer's warranty shall be limited to the terms of the label, and does not extend to the buyer a sum or risk to persons or property or in case of use or handling and accepts the product under the conditions.
