## WARNING

### KEEP OUT OF REACH OF CHILDREN

Poisonous if swallowed, inhaled, or absorbed through the skin. Rapidly absorbed through the skin. Do not get in eyes or on skin. Wear protective clothing, natural rubber gloves, and goggles. Do not breathe dust. Wear a mask or respirator effective for protection against DI-SYSTON. Keep all unprotected persons out of the operating area or vicinity. In case of spillage, sweep up and bury. Wash hands, arms, and face thoroughly with soap and warm water before eating or smoking. Wash all contaminated clothing with soap and hot water before reuse.

To Physician—Atropine sulfate is antidotal. 2 PAM is also antidotal and may be administered in conjunction with atropine.

### CONTAINER DISPOSAL

**DO NOT REUSE THE CONTAINER**—Completely empty the contents and bury the unused chemical at least 18 inches deep in an isolated location away from water supplies.

Burn the empty container completely. Exercise extreme caution and stay well away from the smoke.

Do not use container in any connection with feed, food, or drinking water.

### NOTICE

Seller's guarantee shall be limited to the terms of the label and, subject thereto, the buyer assumes any risks to persons or property arising out of the use or handling and accepts the product on these conditions.
