WARNING

KEEP OUT OF REACH OF CHILDREN

May be harmful if swallowed, inhaled, or absorbed through the skin. Do not get in eyes or on skin. Do not breathe dust. Wear a mask or respirator effective for protection against DIPTEREX. Keep all unprotected persons out of the operating area or vicinity. Always wash thoroughly with soap and warm water after handling. Wash contaminated clothing with soap and hot water before reuse. Should poisoning occur, obtain prompt medical aid. Prolonged exposure will result in cholinesterase depression.

In case of spillage, sweep up and bury. Wash area with strong lye solution. Do not reuse the container for any purpose. Destroy empty container by burying or burning (keep out of smoke).

To Physician - Atropine sulfate is antidotal. 2-PAM is also antidotal and may be used in conjunction with atropine.
