FOR USE ONLY BY PUBLIC HEALTH OFFICIALS AND OTHER TRAINED PERSONNEL OF PUBLIC HEALTH PROGRAMS

BAYLUSCIDE 70% Wettable Powder is a molluscicide that gives effective control of freshwater snail species that act as intermediate hosts of organisms causing schistosomiasis. This compound kills snails and snail eggs. The wettable powder wets readily when added to water and suspensions are easily applied to moving or impounded waters. Mix suspension thoroughly and maintain continuous agitation.

DIRECTIONS FOR USE

IMPORTANT: Read these entire Directions and Conditions of Sale, including the Warranty and Limitation of Damages provision, before using BAYLUSCIDE 70% Wettable Powder.

CONDITIONS OF SALE: These Directions for Use reflect the opinion of experts based on tests of effectiveness, of toxicity to plants and laboratory animals and of residue on or in food and feed under normal conditions of use. However, because of the wide range of conditions under which this product may be used, even though label directions are followed, it is impossible to eliminate all risks associated with its use because of abnormal conditions beyond the control of the seller, Chemagro Corporation and the Seller offer, under the Buyer's use of this product, subject to the understanding that the Buyer agrees to indemnify Chemagro Corporation.

Apply 2.5 pounds of the wettable powder of BAYLUSCIDE 70% to 1000 gallons of water to obtain a final concentration of 2.5 ppm active ingredient. For water impounded in a tank, the 2.5 ppm concentration should be maintained for a 24-hour period. For 100 ppm rate of application, apply 100 lbs. over a

shells. Repeat treatment as required.

Impounded Water: Apply sufficient quantities of BAYLUSCIDE to obtain a final concentration of 2.5 ppm active ingredient in the water. 1.92 pounds BAYLUSCIDE 70% Wettable Powder per acre-foot of water. Repeat treatment as required.

RESTRICTIONS

This product is toxic to fish. Shrimp and crab may be killed at application rates recommended on this label. Do not apply where these are important resources.

DO NOT REUSE CONTAINER: Destroy container by burying with waste or by burning. Stay away from smoke or fumes.

CAUTION

May be harmful if swallowed or inhaled. Contact with eyes causes irritation. Do not get in eyes. If contact occurs, flush eyes with plenty of water. Wash thoroughly with soap and water after handling. Do not contaminate feed or food. Keep out of reach of children.

WARRANTY AND LIMITATION OF DAMAGES

Chemagro Corporation warrants that the material conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use and Conditions of Sale, subject to the risks referred to therein. Chemagro Corporation makes no other express or implied warranty, in fact or otherwise, or any implied warranty of MERCHANTABILITY, and the agent of Chemagro Corporation is authorized to do so except in writing, with specific reference to this warranty. Any damage arising from a product of this company shall be limited to the first repair and shall not include consequential or special damages, such as loss of profits or loss of income.
