WARNING

KEEP OUT OF REACH OF CHILDREN

May be poisonous if swallowed. Harmful if inhaled or absorbed through the skin. Do not get in eyes or on skin. Do not breathe dust. Wear a mask or respirator effective for protection against trichlorfon. Keep all unprotected persons out of the operating area or vicinity. Wash thoroughly with soap and warm water after handling. Wash contaminated clothing with soap and hot water before re-use. If poisoning occurs, obtain prompt medical aid. Prolonged exposure will result in cholinesterase depression. Atropine sulfate is antidotal.

Avoid contamination of feed or food.

In case of spillage, cover with an absorbent such as soda ash, clay, or sawdust. Sweep up and bury. Wash area thoroughly with strong lye solution. Never reuse container. Destroy empty container.
