DIPPEREX Bait

-----  
DIRECTIONS FOR USE

DIPPEREX Bait salt kills both resistant and non-resistant strains of cockroaches. They are attracted to it, feed on it, and die within minutes.

READ LABEL DIRECTIONS BEFORE USE

TO CONTROL COCKCHES IN DWELLINGS, STORES, RESTAURANTS, AND SIMILAR BUILDINGS, AND ALSO IN PATIOS, PICNIC OR RECREATION AREAS, AND GARBAGE AREAS:

Place a small quantity of dry bait on pieces of paper, cardboard, or in shallow jar lids, and put in protected areas such as in closets, under sinks or refrigerators, out of reach of children and pets, and where dying insects cannot fall into food, utensils, or drinking water. Wet the bait slightly for increased killing efficiency.

RESTRICTIONS

Do not apply directly to animals. Do not contaminate feed, water, or eating utensils.

Keep bait out of reach of children and pets.

CAUTION

May be harmful if swallowed. Wash thoroughly with soap and warm water after handling. Wash contaminated clothing with soap and hot water before reuse.

Do not contaminate feed or food.

If misuse results in accidental illness, get prompt medical aid.

To Physician - Atropine sulfate is antidotal. 2-PAM is also antidotal and may be administered in conjunction with atropine.

NOTICE

Chemagro Corporation and the seller make no warranty of any kind, express or implied, on the use of this material and assume no responsibility whatsoever for any personal injury, property damage, or other type of loss resulting from the use or handling of this material. The user assumes all risks for use and handling whether in accordance with directions or not.

PATENT LICENSE

The principal active ingredient of this product is patented under U.S. Patent No. 2,711,229 and Canadian Patent No. 529,379 of Chemagro Corporation, Kansas City, Missouri, and the purchase of this product includes a limited license under said patents to use or reformulate the product only in the manner provided by the recommended applications on the product label. The purchaser obligates itself to notify Chemagro Corporation of any proposed use or reformulation of such licensed product not provided by said recommended applications, and to obtain Chemagro's approval in writing before making any such use or reformulation of the licensed product. Any use, or reformulation intended for use, of the licensed product in the animal health field is specifically prohibited by said license.

DIPPEREX is Reg. TM in U.S. & Canadian Pat. Offs. by Farbenfabriken Bayer A.G., Chemagro Corporation, licensee.
