DI-SYSTON 15% Granular

Attachment II

In accordance with PR Notice 93-1, the previously approved product label is being revised as follows. Shaded areas indicate additions to the previously approved label.

<p>RESTRICTED USE PESTICIDE</p> <p>Due to acute human oral, dermal, and inhalation toxicity</p> <p>For retail sale to and use only by Certified Applicators or persons under their direct supervision and only for those uses covered by the Certified Applicator's certification.</p>
--

In accordance with EPA PR Notice 93-3, we are notifying the Agency that the statement on our current label for application to water or wetlands under the Environmental Hazards is being changed to that which is required by PR Notice 93-3. The following specific changes were made to the Environmental Hazards section. Shaded areas indicate additions to the currently accepted label, strikeouts indicate deletions to the currently accepted label.

This pesticide is toxic to fish and wildlife. For terrestrial uses, do not apply directly to water ~~or wetlands~~, or to areas where surface water is present or to intertidal areas below the mean high water mark. Drift and runoff from treated areas may be hazardous to fish in neighboring areas. Do not contaminate water by cleaning of equipment or disposal of wastes. Cover or incorporate spills. This pesticide is toxic to bees exposed to direct application. Applications should be timed to coincide with periods of minimum bee activity, usually between late evening and early morning.
