

DIRECTIONS FOR USE

IMPORTANT Read these entire Directions and Conditions of Sale, including the Warranty and Limitation of Damages, provided before using GOPHACIDE 0.1% Bait.

CONDITIONS OF SALE These Directions for Use reflect the opinion of experts based on tests of effectiveness, toxicity to plants and laboratory animals, under normal conditions of use. However, because of the wide range of conditions under which this product may be used, even though label directions are followed, it is impossible to eliminate all risks associated with its use because of abnormal conditions beyond the control of the seller, Chemagro and the Seller offer, and the Buyer uses this product subject to the understanding that the Buyer will assume all such risks.

GOPHACIDE 0.1% Bait is very effective for the control of the mountain quill (75% *Thomomys talpoides*) and the pocket gopher (*Citellus richardsoni*). Both of these preparations are readily accepted and killed as well as burrows within 24 to 48 hours after the bait is eaten.

HOW TO APPLY

ARTIFICIAL BURROWS Place the bait in artificial burrows made with suitable burrow building equipment. Use 1 1/2 pound of GOPHACIDE 0.1% Bait per acre in burrows spaced at 20 foot intervals or 1 pound per acre in burrows spaced at 30 foot intervals.

NATURAL BURROWS Use 1 1/2 pound of GOPHACIDE 0.1% Bait per acre in natural burrows.

RESTRICTED USE

For use only by personnel licensed in rodent control. Consult your local, county or state rodent control experts for advice on how to best use this product safely and efficiently. Apply only in burrows. Do not use above ground surface. Control of other rodent species is not recommended since evaluations have not yet been completed.

FISH AND WILDLIFE CAUTION

This product is toxic to fish and wildlife. Keep out of any body of water. Treated bait exposed on soil surface will be hazardous to birds and other wildlife. Apply this product only as specified on this label. Do not contaminate water by cleaning of equipment, or disposal of wastes.

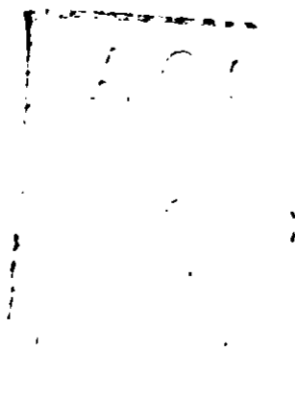

GOPHACIDE 0.1% BAIT RODENTICIDE

FOR CONTROL OF POCKET GOPHERS

ACTIVE INGREDIENT
2,6-Diisopropylchlorophenyl acetate
diethylphosphorothioate

INERT INGREDIENTS 99.9%

U.S. Patent No. 3,281,324
Canadian Patent No. 734,492

EPA Reg. No. 4125-100

CHEMAGRO

Division Of Baychem Corporation

Box 4912, Kansas City, Mo. 64120

WARNING

May be harmful if swallowed or absorbed through the skin. Do not get in eyes or on skin. This material is cumulative. Repeated contact with the skin may increase hazard of handling. Wear cotton or natural rubber gloves while handling. If cotton gloves are used, they must be laundered or discarded after each day's use. Always wash thoroughly with soap and warm water after handling. Wash contaminated clothing with soap and hot water before reuse.

Do not store or use in an area where there is possibility of children or animals gaining access to the material or to the carcasses of animals poisoned by the bait.

Exposure to dusts obtained from medical and pharmaceutical exposure will result in ocular irritation. Irritation is allowed, and is eliminated by giving a copious amount in a glass of warm water and rinsing thoroughly. Freely and abundantly wash until your hands feel clean. May be irritant to eyes. Wash with warm water and soap.

Not to be used in areas where it may be effective against the soil microflora with a high percentage of organic matter. Do not use in areas where it would be applied to large quantities of soil. Do not use in areas where it would be applied to large quantities of soil.

CONTAINER DISPOSAL

DO NOT REUSE THIS CONTAINER Completely empty the container and bury the residue in the soil at least 12 inches deep. Do not allow the container to dry from water vapor.

Wash the container with water. Do not use for any other purpose. Do not use for any other purpose.

Do not use the container for any other purpose. Do not use for any other purpose.

WARRANTY AND LIMITATION OF DAMAGES

Chemagro warrants that this material conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use and Conditions of Sale, subject to the risks referred to therein. CHEMAGRO MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY, INCLUDING ANY OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS OR MERCHANTABILITY, and no agent of Chemagro is authorized to do so except in writing with a specific reference to this warranty. Any damages arising from a breach of this warranty shall be limited to direct damages, and shall not include consequential or commercial damages, such as loss of profits or value, etc.

GOPHACIDE is a Reg. TM of Farbentfabriken Bayer AG.
