Gentlemen:

Subject: Add Uses Corn and Peanuts
Dasanit and Disyston 7-1/2% - 7-1/2% Granular
EPA Registration No. 3125-252
Application Dated May 12, 1982

The amendment referred to above, submitted in connection with registration under Section 3(c)(7)(A) of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, will be acceptable provided that you:

1. Agree in writing that you will submit and/or cite all data required for registration/re-registration of your product under FIFRA Section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

If the conditions of this amendment are not complied with after acceptance, the registration will be subject to cancellation in accordance with Section 6(e) of the Act.

2. Submit five (5) final printed labels (labeling) within 75 days. (If finished labeling cannot be furnished within the 75-day period, an extension should be requested.)

Sincerely yours,

George T. LaRocca
Product Manager (15)
Insecticide-Rodenticide Branch
