Gentlemen:

Subject: Monitor 4
EPA Registration No. 3125-230
Your Application dated October 2, 1983

The amendment referred to above, submitted in connection with registration under FIFRA sec. 3(c)(7)(B) is acceptable provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Have the labeling changed prior to you release the product for shipment bearing the amended labeling:

a. The Environmental Hazards statement shall be amended to read:

This product is extremely toxic to birds and other wildlife. Birds and other wildlife in treated areas may be killed. Do not apply directly to water bodies or wetlands (e.g., lakes, streams, ponds, marshes). Do not contaminate water by cleaning of equipment or disposal of wastes. This product is highly toxic to bees exposed to direct treatment or residues on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds if bees are visiting the treatment area.

3. Submit five (5) copies of your final printed labels. Failure to release the product for shipment.

If this condition is not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. (4). Your release for shipment of the product bearing the amended labeling constitutes acceptance of this condition.
