Dear Mr. Thornton:

Subject: Pineapple - Add Pre-Plant Seed Piece Treatment and Delete
Fresh Market Restriction
Bayleton 50% Wettable Powder
EPA Registration No. 3125-320 ✓
Bayleton 50% Wettable Powder in Water
Soluble Bags
EPA Registration No. 3125-340
Your Submissions Dated November 14, 1994

The amendment referred to above, submitted in connection with registration under section 3(c)(7)(A) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable provided that you:

1. Submit/cite all data required for registration/-reregistration of your product under FIFRA section 3(c)(5) or 4(a) when the Agency requires all registrants of similar products to submit such data.

2. Submit one (1) copy of your final printed labeling before you release the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
