<p>NAME AND ADDRESS OF REGISTRANT (Include ZIP code)</p> <p style="text-align: right;">178785 / 160 1 / 18</p> <p>Mobay Chemical Corporation P.O. Box 4913 Kansas City, MO 64120-0013</p>	
<p>NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.</p>	
<p>On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.</p> <p>A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.</p>	
<p>Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p>	
<p>This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:</p>	
<ol style="list-style-type: none"> 1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data. 2. Make the labeling changes listed below before you release the product for shipment: <ol style="list-style-type: none"> a. Add the phrase "EPA Registration No. 3125-376." b. "Keep Out of the Reach of Children" must be placed above the signal word. c. "Precautionary Statements" and "Hazards to Humans and Domestic Animals" must be moved directly above the precautionary statements. 	
<p style="text-align: center;">BEST AVAILABLE COPY</p> <p><input type="checkbox"/> ATTACHMENT IS APPLICABLE</p>	
SIGNATURE OF APPROVING OFFICIAL	DATE

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

STATEMENTS OF PRACTICAL TREATMENT

If eyes are contaminated, hold eyelids open and flush with a steady, gentle stream of water for at least 15 minutes. Consult physician. If swallowed, drink promptly a large quantity of milk or, if milk is not available, large quantities of water. Avoid alcohol. If on skin, wash skin immediately with soap and warm water. If irritation occurs, get medical attention. If inhaled, remove to fresh air. If not breathing, give artificial respiration, preferably mouth to mouth. Get medical attention.

TO PHYSICIAN: No specific antidote is available. Treat symptomatically and be aware that this formulation contains approximately 40% aromatic petroleum distillate. Probable mucosal damage may contraindicate the use of gastric lavage.

In case of poisoning, it is also requested that Mobay Chemical Corporation, Agricultural Chemicals Division, Kansas City, Missouri, be notified. Telephone - Area Code 816-242-2000; nights or weekends - Area Code 816-242-2582.

ENVIRONMENTAL HAZARDS

Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not contaminate feed or food.

BAYLETON 216 Concentrate is intended for formulation into end use products for:

Domestic outdoor uses on turf, and ornamentals (herbaceous plants, flowers, woody shrubs, trees)

Greenhouse non-food uses on:
Ornamentals (specified above)

Detailed information on chemical and physical properties and other formulating recommendations for BAYLETON are available upon request from Mobay. Obtain and read this information before undertaking the formulation of BAYLETON in order to avoid formulation hazards and insure a satisfactory finished product.

Labeling for products formulated from this product must conform to that which is currently registered with the U.S. Environmental Protection Agency. For specific information on federally registered uses, contact Mobay. Any variance from the federally registered labeling for products containing BAYLETON will have to be supported by data provided by the formulator.

STORAGE AND DISPOSAL

Pesticide Disposal: Do not contaminate water, food or feed by storage or disposal.

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Do not use container in connection with food, feed, or drinking water. Completely empty container into formulation equipment. Then dispose of empty container in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

Store in a cool, dry place and in such a manner as to prevent cross contamination with other pesticides, fertilizers, food, and feed. Store in original container and out of the reach of children, preferably in a locked storage area.

BAYLETON is a Reg. TM of Bayer AG, Leverkusen.
