PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if absorbed through the skin. Avoid contact with the skin, eyes, or clothing. Wash thoroughly with soap and water after handling.

PHYSICAL/CHEMICAL HAZARDS: Flammable. Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting.

STATEMENTS OF PRACTICAL TREATMENT

If on skin: Wash with plenty of soap and warm water. Get medical attention if irritation persists. **If swallowed:** Call a physician or Poison Control Center immediately. Contains petroleum distillate.

Do not induce vomiting. Vomiting may cause aspiration pneumonia.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

DO NOT USE AS A SPACE SPRAY. Hold container upright while spraying. Direct nozzle about 12 inches from surface to be treated. Spray away from self and other persons. Do not allow children in treated areas until spray has dried.

DO NOT USE in food processing plants, restaurants, or other areas where food is commercially prepared or processed. **DO NOT USE** in serving areas while food is exposed.

REMOVE birds and tightly cover fish bowls and aquariums in area being sprayed. Do not allow pets in treated area until spray has dried. Do not spray on plants or shrubbery.

TO KILL ROACHES, WATERBUGS, PALMETTO BUGS, CRICKETS, SPIDERS, AND MILLIPEDES: Spray around baseboards, into cracks and crevices and other inaccessible places where insects live and hide (under

sinks, cabinets, refrigerators, damp areas, etc.) until surfaces are wet. Spray directly on insects if possible. Avoid excessive wetting of linoleum, asphalt tiles or plastics. **DO NOT** spray open floor areas, carpets, furniture, beds or bedding.

TO KILL ANTS, SNOWBUGS AND EARWIGS: Spray around door and window frames and other places where these insects may enter house. Spray around foundations and porches. Spray on ant trails and ant hills. **DO NOT** treat open areas of floor or floor coverings.

FOR LONG LASTING RESIDUAL ACTION allow residue to remain undisturbed as this product will keep on killing for weeks. More frequent application may be required to maintain adequate control on painted wood. Do not spray on freshly painted surfaces.

SATISFACTION GUARANTEED: If Raid Max Roach & Ant Killer does not provide effective roach and ant control, call toll-free (800) 558-5252 weekdays, 9:00 a.m. to 5:00 p.m. Eastern Standard Time, to arrange for a full refund.

STORAGE AND DISPOSAL

STORAGE: Store away from heat and flame in an area inaccessible to children.

DISPOSAL: Do not reuse empty container. Discard in trash. Do not incinerate or puncture.

LASER® and **CYLATHRIN®** are registered trademarks.
