**Tempo Concentrate Insecticide**  
**EPA Reg. No. 3125-502**  
**September 26, 2001**

**Section II - Explanation**

With this application, Bayer Corporation is submitting a Notification to add a pest to the label of **Tempo Concentrate Insecticide, EPA Reg. No. 3125-502.**

We have added "Weevils (adults)" to the "Kills" box within the "Quick Facts" section and to the appropriate "Pest" boxes within the "Directions For Use" sections. Additionally, "(including Glassy Winged Sharpshooter)" has been added as a subgroup to the currently listed pest "leafhoppers" within the same sections. We have also modified the "Pest" boxes, within the "Directions For Use" sections, with target pests currently identified in the "Quick Facts" section "Kills" box to provide target clarity for the consumer. The addition of these pests does not increase exposure or change the dosage, concentration, frequency or method of application to the specified use pattern on this label. The addition of these pests to the enclosed label is being provided to the Agency in accordance with PR Notice 98-10, II, B, "Adding or Deleting Pests." One copy of the revised label (B-9428b2 012400), highlighted with changes, is enclosed for the Agency files.

Additionally, we have placed previously approved text into a boxed format in accordance with PR Notice 98-10, II, M, 2.

We are also providing notification to the Agency we have added the following claims:

1. Contains Tempo
2. Cyfluthrin is the chemical name for Tempo

This notification is consistent with the provision of PR Notice 98-10 and EPA regulations at 40 CFR 152.46. No other changes have been made to the labeling or the Confidential Statement of Formula of this product. I understand that it is a violation of 18 U.S.C. sec. 1001 to willfully make any false statement to the EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and Bayer Corporation may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.
