- · Avoid breathing vapor or dust.
- · Avoid contact with skin, eyes, or clothing.
- · Do not contaminate feed or food.
- Wash thoroughly with soap and warm water after handling.
- · Wash contaminated clothing with soap and hot water before reuse.

ACCEPTED
with COMMENTS
In EPA Letter Dated

DEC 12 1997

Under the Federal Insecticide, Fundicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No.

First Aid

The table below describes the first aid procedures for incidents involving BAYLETON 1 Granular.

IN THE CASE OF ACCIDENTAL	IMMEDIATELY
swallowing	If the person is able to swallow: Have them sip 1 to 2 glassfuls of water Call a doctor or poison control center for further treatment advice
contact with eyes	 Hold eye open and rinse slowly and gently with water. Continue to rinse eye for 10 to 15 minutes. Call a doctor if irritation persists.
inhalation	 If breathing is affected, move person to fresh air. Contact doctor or poison control center for further treatment advice If not breathing, call an ambulance and give artificial respiration.
emergency roc	recision control center, have this product label accessible. If seeking treatment at an orn or doctor's office, bring this product label to show medical personnel. You may 1244 for medical emergency information. Active ingredient: Triadimeton [CAS #

Symptoms of Poisoning: Acute poisoning is accompanied by hyperactivity followed by sedation.

In case of poisoning: Notify Bayer Corporation, Agriculture Division, Kansas City, Missouri, Telephone Number 1-800-414-0244.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For

Environmental Hazards

- Do not apply directly to water.
- · Apply this product only as specified on this label.

best results, read and follow all label directions.

DIRECTIONS FOR USE IMPORTANT: Follow Label Directions

General Use Directions

- Apply the product only in recommended amounts and intervals.
- Apply the product when your lawn is actively growing.
- · Mow and water lawn before application.
- · Apply product when grass has dried.
- Apply the product to turf that is not suffering from drought stress, as this may decrease the product's effectiveness.

Responsible Use

To use responsibly, follow these guidelines when applying BAYLETON 1 Granular.

- Do Not apply near fish pools, ponds, streams or lakes.
- · Do Not use grass clippings for animal feed.

Note: Do not use the product on crops intended for food.

How to Apply BAYLETON 1 Granular

Apply BAYLETON 1 Granular Fungicide using a standard spreader calibrated to uniformly spread the recommended product amount per 1000 square feet of turf grass.

Note: For best results, irrigate the treated area immediately after applying BAYLETON to move the product down into the soil.

The table below describes how to apply BAYLETON 1 Granular to prevent or control specific turf grass diseases.

BAYLETON 1 Granular Fungicide

DISEASE	HOW MUCH TO USE (lbs/1000 sq ft)	APPLICATION GUIDELINES
Dollar Spot Powdery Mildew Rusts	1-1/2	Apply at first sign of disease. Reapply 30 days later, if needed.
Brown Patch Summer Patch	3	If area has history of disease, make first application before hot, humid weather occurs. Reapply 21 days later, if needed.
Anthracnose Copper Spot Red Thread	3	Apply at first sign of disease. Reapply every 21 days, if needed.
Stripe Smut	3	To prevent disease, make an application in spring as grass begins to grow.

STORAGE AND DISPOSAL Storage Conditions

Disposal

Store the original BAYLETON 1 Granular container in a location that is cool and dry. The storage area should be locked and out of reach of children.

- · Do not reuse empty product bags.
- · Wrap the empty bags in several layers of newspaper.
- · Place bag in trash.

Important: It is best to use all of the product in accordance with label directions. If it is necessary to dispose of unused product, please follow all state and local guidelines.

NOTICE

Research and testing has determined that the "Directions for Use" are appropriate for the proper use of BAYLETON 1 Granular Fungicide under expected conditions.

The Buyer assumes responsibility for lack of performance or safety if not used according to the directions on this label.
