TOXIC SUBSTANCES

SEP 30 1998

Mr. John Thornton  
Director, Product Registrations & Regulatory Affairs  
Bayer Corporation  
8400 Hawthorn Road  
P.O. Box 4913  
Kansas City, MO 64120

Subject: Labeling Amendments  
\* Bayleton Granular Fungicide; EPA Reg No 3125-515  
\* Bayleton Liquid Concentrate Fungicide; EPA Reg No 3125-516  
Your Correspondence Dated March 23, 1998

Dear Mr. Thornton:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, are acceptable subject to the conditions indicated below.

For both products (EPA Reg No 3125-515 & 3125-516):

1. Under the "Directions for Use" section, the header "Responsible Use" needs to be changed to "Before You Use."

For EPA Reg No 3125-515 only:

1. Under the "Directions for Use" section, information on "General Use Directions" and "Responsible Use" were included in duplicate. The duplication needs to be eliminated.

A stamped copy of each label is enclosed for your records. Please submit one (1) copy of your final printed labeling (for each product) before you release the products for shipment.

If these conditions are not complied with, the registrations will be subject to cancellation in accordance with FIFRA Section 6(e). Your release for shipment of the products constitutes

2/5

acceptance of these conditions.

If you have any questions regarding this letter, do not hesitate to contact me at 703-305-7740 or María I. Rodríguez of my staff at 703-305-6710.

Sincerely yours,

/s/

Cynthia Giles-Parker

• Harmful if swallowed, inhaled, or absorbed through the skin. • Causes moderate eye irritation. • Avoid breathing vapor or dust. • Avoid contact with skin, eyes, or clothing. • Do not contaminate feed or food. • Wash thoroughly with soap and warm water after handling. • Wash contaminated clothing with soap and hot water before reuse.

### First Aid

The table below describes the first aid procedures for incidents involving Lawn Disease Eliminator.

| IN THE CASE OF ACCIDENTAL...  | IMMEDIATELY...   |
|---|--|
| Swallowing  | If the person is able to swallow:<br>• Have them sip 1 to 2 glassfuls of water. • Call a doctor or poison control center for further treatment advice.   |
| Contact with eyes   | • Hold eye open and rinse slowly and gently with water.<br>• Continue to rinse eye for 10 to 15 minutes. • Call a doctor if irritation persists.   |
| Inhalation  | • If breathing is affected, move person to fresh air. • Contact doctor or poison control center for further treatment advice. • If not breathing, call an ambulance and give artificial respiration. |
| NOTE: When calling poison control center, have this product label accessible. If seeking treatment at an emergency room or doctor's office, bring this product label to show medical personnel. You may call 800-414-0244 for medical emergency information. Active ingredient: Trifluralin (CAS # 43121-43-3). |  |

**Symptoms of Poisoning:** Acute poisoning is accompanied by hyperactivity followed by sedation.

**In case of poisoning:** Notify Bayer Corporation, Agriculture Division, Kansas City, Missouri, telephone Number 1-800-414-0244.

### Environmental Hazards

- Do not apply directly to water.
- Apply this product only as specified on this label.

### DIRECTIONS FOR USE IMPORTANT: Follow Label Directions

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For best results, read and follow all label directions.

### General Use Directions

- Apply the product only in recommended amounts and intervals.
- Apply the product when your lawn is actively growing.
- Mow and water lawn before application.
- Apply product when grass has dried.
- Apply the product to turf that is not suffering from drought stress, as this may decrease the product's effectiveness.

### Responsible Use

To use responsibly, follow these guidelines when applying Lawn Disease Eliminator.

- Do Not apply near fish pools, ponds, streams or lakes.
- Do Not use grass clippings for animal feed.

Note: Do not use the product on crops intended for food.

**General Use Directions**

- Apply the product only in recommended amounts and intervals.
- Apply the product when your lawn is actively growing.
- Mow and water lawn before application.
- Apply product when grass has dried.
- Apply the product to turf that is not suffering from drought stress, as this may decrease the product's effectiveness.

**Responsible Use**

To use responsibly, follow these guidelines when applying Lawn Disease Eliminator.

- **Do Not** apply near fish pools, ponds, streams or lakes.
- **Do Not** use grass clippings for animal feed.

**Note:** Do not use the product on crops intended for food.

**How to Apply Lawn Disease Eliminator**

Apply Lawn Disease Eliminator using a standard spreader calibrated to uniformly spread the recommended product amount per 1000 square feet of turf grass.

**Note:** For best results, irrigate the treated area immediately after applying Lawn Disease Eliminator to move the product down into the soil.

The table below describes how to apply Lawn Disease Eliminator to prevent or control specific turf grass diseases.

| DISEASE                                  | HOW MUCH TO USE       | APPLICATION GUIDELINES   |
|--|-----------------------|--|
| Dollar Spot<br>Powdery Mildew<br>Rusts   | 3<br>(lbs/1000 sq ft) | Apply at first sign of disease. Reapply 30 days later, if needed.  |
| Brown Patch<br>Summer Patch              | 6<br>(lbs/1000 sq ft) | If area has history of disease, make first application before hot, humid weather occurs. Reapply 21 days later, if needed. |
| Anthraxnose<br>Copper Spot<br>Red Thread | 6<br>(lbs/1000 sq ft) | Apply at first sign of disease. Reapply every 21 days, if needed.  |
| Stripe Smut                              | 6<br>(lbs/1000 sq ft) | To prevent disease, make an application in spring as grass begins to grow.   |

**STORAGE AND DISPOSAL**

**Storage Conditions**

Store the original Lawn Disease Eliminator in a location that is cool and dry. The storage area should be locked and out of reach of children.

**Disposal**

- Do not reuse empty product bags.
- Wrap the empty bags in several layers of newspaper.
- Place bag in trash.

**Important:** It is best to use all of the product in accordance with label directions. If it is necessary to dispose of unused product, please follow all state and local guidelines.

**NOTICE**

Research and testing has determined that the "Directions for Use" are appropriate for the proper use of Lawn Disease Eliminator under expected conditions.  
The Buyer assumes responsibility for lack of performance or safety if not used according to the directions on this label.
