ACCEPTED

DEC 01, 2001

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act,  
as amended, for the pesticide  
registered under  
EPA Reg. No. 3125-548

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For best results, read and follow all label directions.

### APPLICATION DIRECTIONS

Follow these guidelines when applying KBR 3023 Insect Repellent:

- Hold 4 to 6 inches from skin while spraying, keeping nozzle pointed away from face.
- Slightly moisten skin with a slow sweeping motion.
- Apply on face by spraying small amounts in palms of hands and spreading on face and neck.
- Reapply every 5 to 6 hours if needed. Excessive amounts or more frequent reapplication should be unnecessary. Do not apply more than 3 times a day.

When using product on children, please mind the following:

- Do not apply to their hands.
- To apply to child's face and neck, spray into your hands and apply the product to the child. Take care to avoid mouth and eyes, and apply sparingly around their ears.
- Do not allow children to handle the product.
- On young children, do not apply this product more than twice in a day.
