Dear Sir:

Subject: Theralex Shampoo  
EPA Registration No. 3124-2  
Your letter of May 11, 1970

The agreement referred to above, submitted in connection with registration under FIFRA sec. 3(c)(7)(A) in accordance provided that you:

1. Submit and/or file all data required for registration/re-registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Submit file (5) containing your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 3(c). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of this label is retained for your records.

The retention of this label is your responsibility.

As data you submit should be prepared in accordance with Section 25007(a).

At the next registration label to be affixed a year from the date of this letter, which may occur first, make the following change on your label: list the official method of procedure to be used in the oral route of exposure (7500-11-1000) as the oral toxicity of the formulation is not sufficient to permit the use of the oral route of exposure. Label the oral route of exposure as the oral route of exposure.

Sincerely,
