ACTIVE INGREDIENT

INERT INGREDIENTS

WARNING:
Keep Out of Reach of Children.

See Side Panel for Precautions

NET WEIGHT 12 OUNCES (340 grams)

DIRECTIONS FOR USE

For Veterinary Use Only

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Place dog on a table or bench preferably out of doors. Hold can in upright position 3-6" from the dog and thoroughly spray all over the body against the lay of the coat. Avoid spraying in eyes. Spray to leave the coat slightly damp down to skin level. Spraying time should be between 30 and 60 seconds on a medium sized dog. This can should provide 8-12 complete treatments.

One treatment will kill fleas and protect against reinfestation for up to one month. Repeat treatment as necessary.

Thoroughly spray interior of kennel or other animal sleeping quarters. Also spray bedding and replace with fresh bedding if necessary.

Storage & Disposal

Store in original container. Do not use in areas where children play. Do not use in areas where children play. Do not use in areas where children play.

E.P.A. Registration No. 3134-38
