**Keep Out of Reach of Children
WARNING**

See Side Panel for Precautions

NET WEIGHT 12 OUNCES (340 grams)

10

Manufactured by

IGI EVSCO PHARMACEUTICALS
Affiliate of IGI, Inc. Buena, NJ (USA) 08310

DIRECTIONS FOR USE:

For Veterinary Use Only

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Place dog on a table or bench, preferably out of doors. Hold can in upright position 3-6" from the dog and thoroughly spray all over the body against the lay of the coat. Avoid spraying in eyes. Spray to leave the coat slightly damp down to skin level. Spraying time should be between 30 and 60 seconds on a medium sized dog. This can should provide 8-12 complete treatments.

One treatment will kill fleas and protect against reinfestation for up to one month. Repeat treatment as necessary.

Thoroughly spray interior of kennel or other animal sleeping quarters. Also spray bedding and replace with fresh bedding if necessary.

Storage & Disposal

Storage: Store in a cool, dry place, preferably in a locked storage area.

Pesticide Disposal: Securely wrap original container in several layers of newspaper and discard in trash.

Container Disposal: Replace cap and discard container in trash. Do not incinerate or puncture.

E.P.A. Registration No. 3134-38
E.P.A. Establishment No. 7056-TX-1
Made in USA

Precautionary Statements

Hazards to Humans and Domestic Animals:

May cause eye irritation. Avoid contact with eyes, skin or clothing. May be harmful if swallowed. Avoid inhalation of vapors.

Note to Physician: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine is an antidote, by injection only.

Statement of Practical treatment: If Swallowed: Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger.

If On Skin: Wash thoroughly with soap and warm water.

If In Eyes: Flush with plenty of water. Get medical attention if irritation persists.

If Inhaled: Remove from exposure, establish adequate airway, give oxygen or artificial respiration as indicated.

Do not use on cats.

Free bitches from fleas before they bear pups. Do not use on dogs nursing puppies or on pups under 10 weeks old.

Physical and Chemical Hazards:

FLAMMABLE.

CONTENTS UNDER PRESSURE. DO NOT USE NEAR FIRE, SPARKS OR FLAME. DO NOT PUNCTURE OR INCINERATE CONTAINER. EXPOSURE TO TEMPERATURE ABOVE 130°F MAY CAUSE BURSTING.
