& DOMESTIC ANIMALS**

**CAUTION**

May irritate eyes, nose,  
throat and skin.

Wash after use and before  
eating.

**DIRECTIONS FOR USE**

It is a violation of federal law  
to use this product in a man-  
ner inconsistent with its  
labeling.

Wrap each fruit with one  
wrap within one week after  
harvest and before storage.  
Do not use impregnated  
wraps on fruit which has  
been previously treated with  
ethoxyquin preharvest or  
postharvest.

Prolonged exposure of  
chemical to air or sunlight  
may result in darkening of  
the product and staining of  
the fruit.
