

dichondra weed 'n feed

10-0-0 plus iron

KILLS WEEDY GRASSES

Kills bluegrass, bermuda grass, annual bluegrass, crabgrass, and many other weedy grasses. Retards bermuda. (See rear panel for other weeds.)

KILLS BROADLEAF WEEDS

Kills clover, white clover, black medick, chickweed, and many other weeds. Prevents spurge. (See rear panel for other weeds.)

KILLS LAWN INSECTS

Kills lawn moth larvae (sod webworms, cutworms), grubs, earwigs, ants.

For Established Dichondra Lawns Only

CAUTION: KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. May cause irritation of eye, nose, throat, and skin. Avoid breathing dust and avoid contact with skin, eyes, and clothing. Wash thoroughly after use. Avoid contamination of feed and foodstuffs. Keep children and pets off treated areas until material is watered into soil and dichondra leaves are dry. This product is toxic to fish and wildlife. Do not apply where runoff is likely to occur. Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label. Do not use in hollows, cracks, or crevices, or in buildings. Do not use in contact with water. Destroy when empty.

ACCEPTED
 May 24, 1973
 UNDER THE FEDERAL INSECTICIDE
 FUNGICIDE AND RODENTICIDE ACT
 FOR ECONOMIC POISON REGISTRATION
 NO. UNDER NO. 3234 - 14

1. Measure area to be covered (for example - 40 x 50'). One 12 lb. bag covers 2000 sq. ft. Dichondra foliage should be dry at time of application. Remove clippings, leaves and other objects so that Dichondra Weed'n Feed may contact soil surface evenly.

2. Set fertilizer spreader as suggested below. For best control follow crisscross pattern as illustrated. Recommended spreader settings given below are for crisscross patterns. CAUTION: Never make sharp turns with spreader open. Always close spreader while changing directions.

3. Immediately after spreading, wash Dichondra Weed'n Feed off the dichondra foliage with a medium spray from a hand-held nozzle. Sprinkling systems and stationary sprinklers are less satisfactory. After application do not water for 24 hours, then resume normal watering practice. Do not allow water to puddle or flood.

COMMON WEEDS CONTROLLED:

GRASSES

crabgrass
bluegrass
ryegrass
goosegrass
barnyard grass
johnsongrass
(from seed only)
stinkgrass

bermudagrass
annual bluegrass
(*Poa annua*)
foxtail
fall panicum

red sorrell
carpetweed
smartweed
cheat
peppergrass
crowfoot

INSECTS CONTROLLED:

Lawn moth larvae (sod webworms), Cutworms, white grubs, earwigs, ants,

SUGGESTED SPREADER SETTINGS: Spreading rate may vary with the age, model, and condition of the spreader. Check your spreader over an area of known size. (One 12 lb. bag covers 2000 sq. ft.). Recommended settings below are for crisscross applications. If your spreader is not included below, set spreader opening at lowest setting which gives an even flow, usually about one-third open. Spread in one direction and then crosswise. Continue crisscrossing until proper amount is applied.

RESEEDING: Dichondra lawns cannot be reseeded for 60 days after application. Materials that provide effective control of weeds may affect seedlings which germinate after treatment. Proper fertilization and watering will encourage the existing dichondra to fill in the thin or bare spots formerly occupied by weeds.

TREES & SHRUBS:

Do not apply on or near young trees or young shrubs.

BLADEGRASS LAWNS:

Do not use on blade grass lawns.

SUMMER APPLICATIONS:

1. Water dichondra lawn thoroughly the day before PAX application.
2. Do not apply on days when temperature is 85 degrees or above.

GUARANTEE: Manufacturer guarantees this product to give results as outlined on this bag or the purchaser may get his money refunded by the manufacturer. No other express warranties of any kind are made, except to conform to the promises and affirmation of facts made on the label. The warranty of merchantability, all other implied warranties and liability of the manufacturer without fault are expressly disclaimed.

Buyer assumes all risk of personal injury or damage to property, except for negligent mislabeling of the product. All claims must be presented to manufacturer in writing, within thirty days from the date a breach is discovered and an action thereon must be commenced within one year after the cause of action has occurred.
