\*May vary with age, model and condition of spreader. Check your spreader over a known area. Wash out spreader after each use and allow it to dry thoroughly. Treat any exposed metal spreader areas with oil to reduce corrosion.

**STORAGE AND DISPOSAL**

**STORAGE:** Store in original container and keep any bags containing unused product in a locked storage area inaccessible to children and domestic animals. Store in a dry place. Do not store near feed or foodstuffs. To prevent cross-contamination, do not store open container near other pesticides, fertilizers, or seeds.

**PRODUCT DISPOSAL:** To dispose of bag which contains unused product, securely wrap bag in several layers of newspaper and discard in trash.

**CONTAINER DISPOSAL:** Do not reuse empty bag. Fold empty bag and discard in trash.

**NOTICE:** If not used as directed, Seller makes no warranty expressed or implied concerning the use of this product. User then assumes all risk of loss or damage arising from use, handling and effects thereof. (RED 042693/RV 022599)

†Editor's Note: For other size retail bags rates will be pro-rated. [Example: For heavy moss infestations a 12.5# bag will treat 1,500 sq. ft.]
