

# PIVAL PARAKES

## KILLS RATS KILLS MICE

### Active Ingredients:

	Percent
(1) Sodium Salt of 2-Pivalyl-1, 3-Indandione .....	.015
2-Pivalyl 1, 3-Indandione .....	.011

### Inert Ingredients:

.....	<u>99.974</u>
(1) Equivalent to 2-Pivalyl-1, 3-Indandione .014%	<u>100.000</u>

PIVAL PARAKES is a highly effective rodenticide for the control of rats and mice. It is a contact poison which acts quickly and efficiently. It is safe for use in homes, hotels, restaurants, and other places where rodents are a nuisance. It is also safe for use in barns, stables, and other places where rodents are a pest. PIVAL PARAKES is available in a variety of formulations, including dusts, baits, and granules. It is easy to apply and does not require special equipment. For more information, contact your local pest control service or the manufacturer.
